

Dr. James Burns Awards in History Graduate Student Research Assistance Fund

Through a generous gift from Dr. James Burns, and a contribution from the Manitoba Scholarship and Bursary Initiative, an endowment fund was established in 2002, the 125th anniversary year of the University, to support graduate study in the Department of History.

This gift allows the Department of History to offer financial support each year for graduate student travel to archives and to help cover exceptional research costs. Examples of such costs might include the microfilming or photocopying of archives crucial to the research project, travel to distant archives or libraries, or permission fees to obtain photographs or other images.

Preference will be given to full-time graduate students in good standing and enrolled full-time in a Masters or Ph.D. programme in the Department of History. The distribution of funds for student travel and top-up matching will be left to the discretion of the selection committee.

There will be **two** competitions each year. The deadlines for receipt of applications are: **October 30, March 31**

Applications should be sent to:
