How can queer and BIPOC (Black, Indigenous, people of colour) sex help us imagine the end of the world not as an end, but as resistance, resilience, and radical futurity? Hear what (or who) our performers would do in the end days, and share your own stories of apocalyptic sex.

For updates on the show, check out Tipi Confessions on Facebook/Twitter & QPOC Winnipeg on Facebook/Instagram.

Our amazing sponsors:
the University of Manitoba's Institute for the Humanities, Centre for Creative Writing and Oral Culture, and Women's and Gender Studies Program; the Winnipeg Public Library; and the University of Winnipeg Library.

*No Black/Indigenous/People Of Colour will be turned away for lack of funds. Please email q poc204@gmail.com for more financially accessible tickets if needed.
