Strengthening Nursing Practice in Cuba through Education & Research

a talk by **Judith Scanlan** RN, PhD
(Faculty of Nursing, University of Manitoba)

Tuesday, January 24th
2:30 pm
409 Tier Building

**Judith Scanlan** is Associate Professor at the University of Manitoba's Faculty of Nursing. She was the Canadian project director of a multi-year (2004-2011), Tier 2 CIDA collaborative project in Cuba. The project, carried out in cooperation with Cuban institutions and organizations, sought to address the challenges faced by Cuban nurses regarding their professional development, education, and participation in health care delivery. In her presentation, Dr. Scanlan will provide an overview of the project with an emphasis on its outcomes as well as challenges during implementation.

Everyone is welcome to attend!
