

MCGGS BOARD OF ADVISORS

Are you passionate about global governance? Are you a **student** (undergraduate or graduate) presenting a paper at a conference or organizing a conference on a topic related to global governance?

The Manitoba Chair of Global Governance Studies (MCGGS) is a joint project of the University of Winnipeg and the University of Manitoba Departments of Political Science and Political Studies.

The advisory board has allotted funds to support **student-oriented events**.

\$4,000 has been allocated to support: delivering an academic paper at a conference, student-organized conferences and/or other student academic endeavors (for example to do field research) that speak to the themes of global governance broadly defined. A maximum amount of \$1000 is obtainable for individual projects. Undergraduate or graduate students at a Manitoba-based university or college are eligible.

To apply, you must provide the following preferably in 1 document:

- a. CV;
- b. An unofficial copy of your university transcript (undergraduate minimum DGPA 3.0; Graduate minimum DGAP 3.5);
- c. A budget;
- d. A written statement of the event/conference/field work's connection to global governance and an explanation of how the funding will help you pursue this interest (maximum two 8 ½ x 11 pages).

Send an electronic copy of all of the required documents to either CDSS@umanitoba.ca for University of Manitoba, St. Boniface, Red River and/or Brandon students and to Aaron Moore a.moore@uwinnipeg.ca for University of Winnipeg students **by Friday 26 October 2018 (by 16h00 CDT)**.

Successful students will be expected to write an op-ed of their experience for *the Manitoban* or *the Uniter*.
