Psychological Service Centre

Need Help?

The Psychological Service Centre accepts requests for therapy and assessments from the general public. Both adults and children can be seen.

Our services continue to be provided at no charge.

Accessing Services

Our waitlist opens annually in August for the upcoming academic year.

Anyone seeking service is required to complete an intake package before going on the waitlist.

Visit our website or call to check on the status of our waitlist.

Services may or may not be available during the summer months (check our web-site for updates).

Training Centre

The Psychological Service Centre opened its doors in 1968 with a mandate to train graduate students in the discipline of clinical psychology and serve as a community resource to those in need of psychological services.

Services are provided by student clinicians who are closely supervised by clinical psychologists registered in Manitoba.

The clinic is located on the Fort Garry Campus of the University of Manitoba in the Dafoe Building.

Services

- Therapy for individual adults & children
- Couple, family & group therapy may also be available
- Psychological assessments for adults and children

Due to high demand, we are unable to accommodate all requests and cannot guarantee access to our services.
