Please review the message below and use the resources referenced as needed.

Grading for Winter Term courses will remain open in Aurora until Friday, May 8.

You are reminded submit your grades as soon as possible to allow students time to view their grades and make their selections in UMLearn. In some cases students may wish to meet with an advisor prior to making their selection.

The deadline for students to make their selection to: exclude their grade from their GPA; select a P*; or to withdraw from the course in UMLearn is Sunday, May 10.
