Note:

*Deadline to submit course changes not related to new programs or major program changes to be included in the 2012/13 calendar = **October 25, 2011****

*Deadline to submit course changes not related to new programs or major program changes to be effective September 2012 = **March 22, 2012****

****Please note that these deadlines assume a smooth process meaning that your proposals for change are approved the first time a committee vets them and they do not have to be revetted by a given committee. It is always best to submit proposals as early in the year as possible to account for potential delays in the process.**
