

Immunization Package Information

- As a new student of a healthcare discipline at the University of Manitoba, you are expected to comply with specific immunization and testing requirements.
- Please use the Immunization Package located on the Immunization website:
http://umanitoba.ca/faculties/health_sciences/medicine/education/undergraduate/immunestatus.html
- The completed Immunization Package can be mailed, dropped off, or faxed to:

Immunization Program, University of Manitoba
P127-Pathology Bldg.
Winnipeg, Manitoba, Canada R3E 0W2
Tel. (204) 480-1305, Confidential fax. (204) 480-1333
immune@umanitoba.ca
- Once you have submitted your Immunization Package, please notify Jenessa Grabski at Jenessa.grabski@umanitoba or by phone at 204-272-3065.
