A numeric pager will be issued to each WRHA funded PGME resident and UGME student at the University of Manitoba. This pager will be carried by the resident/student at all times for on call purposes in all WRHA facilities throughout the entire duration of studies/training.

- If a pager is damaged and/or in need of repair, the resident/student must notify Manitoba eHealth Service Desk at 204-940-8500. Please identify if urgent to receive same day service. If the resident/student is located at St. Boniface Hospital, call 204-237-2385 for on-site service. In the event that the damaged pager needs to be replaced, the resident/student must report to Manitoba e-Health at 791 Notre Dame Avenue and will be responsible for paying the $50.00 (plus taxes) replacement hardware fee prior to receiving a replacement pager.

- If a pager is lost or stolen, the resident/student must report to Manitoba e-Health at 791 Notre Dame Avenue for a replacement pager and will be responsible for paying the $50.00 (plus taxes) replacement hardware fee prior to receiving a replacement pager.

- Upon withdrawal of studies or termination, the UGME student will be responsible for returning their pager to Tara Petrychko in the Faculty UGME Office and the PGME resident will be responsible for returning their pager to MSAS at the Faculty of Medicine (Room 203) within one week following withdrawal or termination of studies. Failure to return the pager within one week following withdrawal or termination of studies will result in a $50.00 (plus taxes) hardware fee charged to the resident/student.

- Upon graduation, UGME students who are leaving the province must return their pager to Tara Petrychko in the Faculty UGME Office within one week following graduation (U of MB grads continuing in a residency program at the U of MB will retain their same pager throughout residency). Upon completion of training, PGME residents/fellows must return their pager to MSAS at the Faculty of Medicine (Room 203) within one week following completion of training. Failure to return the pager within one week following completion of training will result in a $50.00 (plus taxes) hardware fee charged to the resident/student.
