Department of Anesthesiology, Perioperative and Pain Medicine

CARL DUERKSEN MEMORIAL SCHOLARSHIP
AWARD NOTICE

Dr. Chris Christodoulou, Head of the Department of Anesthesiology, Perioperative and Pain Medicine, and the Selection Committee for the Carl Duerksen Memorial Scholarship are pleased to announce the 2018 Award recipients:

Dr. Margot Klemmer, PGY4
Department of Anesthesiology, Perioperative and Pain Medicine

Dr. Judy Luu, PGY5
Department of Internal Medicine, Section of Cardiology

Dr. Klemmer will receive support to participate in the Mercy Ships Project in Guinea, Africa. This project, under the direction of Dr. Heinz Reimer, provides perioperative care to the underprivileged, many of whom would otherwise be left untreated.

Dr. Luu will receive support to take part in the Northern Manitoba Initiative Project. In collaboration with the team of the Ongomiizwin Health Services and under the supervision of Dr. John Ducas and Dr. Ian Whetter. She will be working with northern rural communities to better understand the cardiovascular health needs of people in order to define major areas that can be targeted for preventative cardiovascular healthcare programs.

The Carl Duerksen Memorial Scholarship was established following the sudden passing of Dr. Carlos N. Duerksen in January 1997. The purpose of the Award is to encourage and facilitate personal growth of a resident through participation in a global humanitarian project located outside of Winnipeg.

Please join us in congratulating Drs. Klemmer and Luu.
