FELLOWSHIP PROGRAM
2018/2019

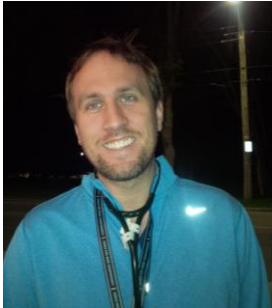

The Department of Anesthesia is pleased to welcome the following individuals to its Clinical Fellowship Programs for the 2018/2019 academic year.

Perioperative/ Cardiac Fellowship

Dr. Kaitlin Duncan is joining us from the University of Ottawa where she will be completing her Anesthesiology Residency June 2018. Born in Winnipeg Dr. Duncan is excited to return to Winnipeg to complete an 18 month Perioperative Medicine/ Cardiac Anesthesia Fellowship July 1, 2018. *Fellowship Director: Dr. Manpreet Bhangu/Dr. Mullein Thorleifson*

Perioperative Fellowship

Dr. Curtis Nickel is joining us from Queen's University from Kingston, Ontario where he completed his Medical School training and soon will be completing his Anesthesia Residency training. He is originally from Western Canada but is excited to begin his Perioperative Medicine fellowship here in Winnipeg commencing July 1, 2018. *Fellowship Director: Dr. Manpreet Bhangu*

Perioperative/Ultrasound

Dr. Kenton Staines will be completing his Anesthesia Training here at the University of Manitoba July 2018. He completed his Undergraduate Medical Education at the University of Ottawa. Dr. Staines will be commencing a Perioperative/ Ultrasound Fellowship January 2019. *Fellowship Director: Dr. Manpreet Bhangu*

Interventional Chronic Pain

Dr. Avi Boniel will be joining us from Israel where he graduated from the University of Szeged (Hungary) Faculty of Medicine in June 2009. He completed his Anesthesiology residency in May 2017 and since then has been a fellow of the newly established Pain Fellowship at the Ben Gurion University of the Negev (Beer Sheva, Israel) *Fellowship Director: Dr. Jamit Dhaliwal*

Dr. Robert Sikorski was born in Warsaw, Poland. He moved to Canada when he was 15 years old. Dr. Sikorski completed his medical school training and his Anesthesia Residency at the University of Ottawa. Since 2011 Dr. Sikorski has been working as a staff Anesthesiologist in Thunder Bay, Ontario. Dr. Sikorski is looking forward to moving to Winnipeg with his family and commencing his Interventional Chronic Pain Fellowship. *Fellowship Director: Dr. Jamit Dhaliwal*

Neuro Anesthesia

Dr. Mohamed Jaffer Hussein Khimji received his Medical Diploma from Tanzania, East Africa; he later went on to South Africa where he received his diploma in Anesthesia and a fellowship in Anesthesia with the Colleges of Medicine in South Africa in May 2016. Dr. Khimji will be commencing a Neuro Anesthesia Fellowship July 1, 2018. *Fellowship Director: Dr. Vincent Wourms*

Pediatric Anesthesia Fellowship

Dr. Christopher Hoban completed his medical school training here in Winnipeg at the University of Manitoba. He will be completing his Anesthesia Residency training in October 2018. Dr. Chris Hoban will then commence a Pediatric Anesthesia Fellowship. *Fellowship Director: Dr. Sreekrishna Raghavendran*

Please join me in welcoming the above individuals to the Department of Anesthesia.
