 Health Studies

You must complete and return this form before you will be able to register for the 2018-2019 session. Email is the preferred options. Email: Alisa.Claman@umanitoba.ca

DEADLINE: JUNE 15, 2018

To graduate: Students must complete the 120 credit hours (60 credit hours for 2nd degree/ADP) outlined in the General Calendar to meet degree requirements (program advising info available from the Advisor). All of the components must be passed, with a degree grade point average of at least 2.00, Health Sciences and Studies students require at least 2.50.

Note the following information regarding program completion:

- ✓ **Core Courses:** HEAL 2600, HMEC 2000, and HMEC 3000. **Hint:** HMEC 2000 is the **written requirement** for all students. ADP (FSS) students have HMEC 2000 as an option.
- ✓ **Required Courses:** See program requirement handout from your program. Also available on our web-site. **Hint:** STAT 1000 is the **math requirement** for all students.
- ✓ **Bachelor of Human Ecology (FSS) Electives:** Any non-required course taught by your program fits into this category (FMLY). Required courses in your concentration are not included in this category.
- ✓ **Free Electives:** Your choice - check *General Calendar* for any prerequisites. Also note that your program may include suggestions in the program requirement hand-out they have prepared. There are no free electives in the ADP (FSS).
- ✓ **Outside Electives:** Any course that is not offered in the Bachelor of Human ecology (FSS) Program or IHP.
- ✓ After Degree Program in FSS (ADP) students must complete at least one option. If a second option is not chosen, then program electives must be chosen to satisfy electives.
