

### **Dutkevich Memorial Trust Graduate Prize in Pathology**

With ongoing gifts from the Dutkevich Memorial Trust to the College of Medicine, an annually funded prize has been established to recognize graduate students in the Department of Pathology at the University of Manitoba. Each year, the College of Medicine will report the amount of available funds for this prize to Financial Aid and Awards. Each year, beginning in 2015-2016, a prize will be offered to one or more graduate students who:

- (1) were enrolled full-time in the Faculty of Graduate Studies, in the M.Sc. program delivered by the Department of Pathology in the College of Medicine, in the year in which the award was tenable;
- (2) have achieved a minimum degree grade point average of 3.5 in the graduate program;
- (3) have either:
  - (a) presented a research abstract at a meeting and/or submitted a manuscript for publication, or
  - (b) completed a practicum and written a report as required for the Pathologist's Assistant program.

Recipients may hold the Dutkevich Memorial Trust Graduate Prize in Pathology concurrently with any other awards, consistent with policies in the Faculty of Graduate Studies.

Students will be required to submit a letter of application (maximum 500 words) to the Department of Pathology, and include a copy of any supporting documents such as a manuscript, abstract, or practicum report (for students enrolled in the Pathologists' Assistant program).

The Department of Pathology will set the deadline date for applications each year.

The selection committee will have the discretion to determine the number and value of awards offered each year based on the available funds.

The College of Medicine will notify the Financial Aid and Awards office by no later than March 31 in any year this award will not be offered.

The Vice Provost (Graduate Education) and Dean of the Faculty of Graduate Studies (or designate) will ask the Chair of the Department of Pathology Graduate Studies Selection Committee to convene the selection committee for this award.

The Board of Governors of the University of Manitoba has the right to modify the terms of this award if, because of changed conditions, it becomes necessary to do so. Such modification shall conform as closely as possible to the expressed intention of the donor in establishing the award.
