

TEMPLATE: Fellowship Program Information

PROGRAM NAME

Complex Cardiac Surgery

DURATION OF TRAINING

1 Year

NUMBER OF POSITIONS AVAILABLE

1 per year

DESCRIPTION/OVERVIEW OF PROGRAM *(maximum 250 words)*

The Cardiac Surgery Clinical fellowship at our center intends to offer advanced clinical experience in surgical management of complex cardiac cases. This includes advance Aortic surgery, heart failure surgical therapy with implantable ventricular assist devices and all forms of mechanical circulatory support with active ECMO program. This fellowship is ideal for fresh graduates from cardiac surgery programs for further focused advance surgical experience before settling into their own practice, as well as for practicing cardiac surgeons who intend to gain additional experience.

TRAINING LOCATION(S)

St. Boniface Hospital and Health Sciences Center
