**PROGRAM GUIDE FOR STUDENTS ADMITTED TO THE
BACHELOR OF COMMERCE (HONOURS) PROGRAM
(under Direct Entry from High School, Track 1, or Track 2)
IN SEPTEMBER 2011 AND THEREAFTER**

This document is a summary of the program requirements for students admitted to the Bachelor of Commerce (Honours) program (under Direct Entry from High School, Track 1, or Track 2) **in September 2011 and thereafter**. It may also be used by the student as a checklist of completed courses.

Students **admitted in September 2011 and thereafter** are required to complete 120 credit hours to complete the Bachelor of Commerce (Honours) degree. The 120 credit hours are divided into five components: **TRACK 1/FOUNDATION COURSES; CORE; one MAJOR; OPTIONS; and ELECTIVES**. To graduate, students **admitted in September 2011 and thereafter** are required to obtain a degree grade point average of 2.00 or better on the 120 credit hours and have passing grades on all 120 credit hours.

A full (100%) course load is 30 credit hours each academic year (Fall and Winter Terms). Year 1 consists of the 24 credit hours of Track 1/Foundation Courses, plus 6 credit hours of Core courses as described below. During Years 2, 3 and 4, students take the Core courses listed plus a combination of Major courses, Business Options, and Electives. The sequence of courses may vary depending on the student's chosen Major.

YEAR 1: TRACK 1/FOUNDATION COURSES (24 credit hours):

All students must complete the specified Track 1/Foundation course requirements. Students admitted under Direct Entry from High School will complete the Track 1/Foundation courses in their first year. Students admitted under Track 1 complete the 24 credit hours of Track 1/Foundation courses prior to admission to the Asper School. Students admitted under Track 2 have completed 24 credit hours of university work but are missing one or more of the specific Track 1/Foundation courses. (See Asper School *Applicant Bulletin* for complete details.) Track 2 students should complete all outstanding Track 1/Foundation during their first year after admission to the Asper School of Business and must achieve a minimum grade of "C" in each outstanding Track 1/Foundation course.

_____ 6 hours from Anthropology ANTH, History HIST, Mathematics MATH, Philosophy PHIL, Political Studies POLS, Psychology PSYC, or Sociology SOC. Minimum "C" grade required. Note: courses chosen for this requirement must be independent from courses taken to fulfill other degree requirements.

_____ Economics: [ECON 1010 (3 hrs) and ECON 1020 (3 hrs)] or ECON 1200 (6 hrs). Minimum "C" grade required.

_____ Statistics: STAT 1000 (3 hrs). Minimum "C" grade required.

_____ Calculus: MATH 1520 (3 hrs) or MATH 1500 (3 hrs). Minimum "C" grade required.

_____ Written English course from a specific discipline (3 or 6 credit hours). Minimum "C" grade required. (Note: ARTS 1110, GMGT 1010, and GMGT 2010 are **not** considered to be from a specific discipline and therefore do **not** fulfil the Track 1/Foundation Written English course requirement.)

_____ 0 - 3 credit hours of electives* (depending on the chosen Written English course). Minimum "C" grade required.
*Note: PHIL 1290 Critical Thinking (3 hrs) is a preferred elective choice

YEAR 1: CORE COURSES (6 credit hours)

Although the Track 1/Foundation Courses are a total of only 24 credit hours, a full-year (100%) course load is 30 credit hours. Therefore, students taking a full-year (100%) course load in Year 1 should also take the following 6 credit hours of **CORE** courses:

_____ GMGT 1010 Business and Society (3 hrs)

_____ one of: GMGT 2060 Management and Organizational Theory (3 hrs). Prerequisite: GMGT 1010 (D)
