

HOW DO YOU CREATE WEALTH?

There are only **three ways** and they all involve
Engineering!

Learn what they are and how you as a Management Student fit into
the process and benefit from it.

Sign up for 130.142, “Engineering Processes for Non-
Engineering Students”

Fall term 2005

Tuesday & Thursday, 2:30 to 3:45, in Room 539 of the Drake Building
This course is an approved elective especially well suited for supply chain management
students
