

## DR. GORDON WILMSMEIER

[g.wilmsmeier@uniandes.edu.co](mailto:g.wilmsmeier@uniandes.edu.co)

Gordon Wilmsmeier holds the **Kühne Professorial Chair in Logistics** at the Universidad de los Andes in Bogota, Colombia.

From 2011 to 2017, he worked as Economic Affairs Officer in the Infrastructure Services Unit at the United Nations Economic Commission for Latin America and the Caribbean (UN-ECLAC). Previously he worked at Edinburgh Napier University's

Transport Research Institute (TRI), and as consultant for UN-ECLAC, UNCTAD, UN-OHRLS, the World Bank, Adelphi Research, JICA, IDB, CAF, OAS.

He is an internationally recognized expert in the geography of maritime transport geography and economics, port economics and inland shipping issues with particular interests in shipping networks, governance competition, transport costs, sustainability and energy efficiency.

Gordon is honorary professor for Maritime Geography at the University of Applied Sciences in Bremen and visiting lecturer at Göteborg University, Sweden and Universidad Nacional de San Martín, Argentina. He has published over 100 book chapters, journal papers, institutional publications and working papers.

He is leader of the global port performance research network (PPRN - <https://pprn.network>). Gordon is member of the International Association of Maritime Economists (council member 2010-2016), the Sustainability Working Group of the European Freight & Logistics Leaders Forum, and Associate member of PortEconomics
