

**Warming of the North:
Implications for Arctic Transportation, Supply
Chain Management, and Economic Development
March 2-3, 2015
Ottawa, Ontario**

Transportation issues in the North are critical to Canada's future. Success will require the latest information and best thinking around where changes are leading us. As a stakeholder in this critical area, whether as a logistics service provider, a policymaker, regulator, academic or customer, you need to participate in this event! Scan and email to transport_institute@umanitoba.ca or fax this form to us at 204.474.7530 – space is limited, so reserve your spot today!
