Dear Mr. Gordon,

I would like to thank you and your team on behalf of Kabul Medical Institutes' staff including the students for donating seven hundred and fifty medical textbook, it is very much appreciated!

We are very glad to have this relationship with your organization and we are looking forwards to receive your supports and donations in the future, as MKI's students and teachers needs it the most in this day and age!

I would also like to thank the students of Manitoba University and everyone else who was involved. Thank you!

Sincerely,

Dr. Cheragh Ali
Chancellor of Kabul Medical Institute
