Salary Award Application Package should include:

1. Up-to-date CV
2. Research Module (pages 1-3) along with the following :
  - a. Summary of Research Proposal – One page. Summarize the objective(s), hypothesis and research plan. Provide a clear concise description of your research proposal.
  - b. Summary of Progress – One page. Do not include references, tables, charts, figures or photographs. Describe research undertaken during the last five years.
  - c. Research Proposal – The research proposal should be clear and concise and not more than 10 pages in length (page limit does not include tables, charts, figures and photographs). Legends should be succinct. Detailed descriptions of methods and discussion of results should be included in the body of the proposal. They should not be in the legends nor included as an Appendix.

In the research proposal applicants must explain:

1. What you want to do (central hypothesis, research question, specific objectives)
  2. Why this work is a reasonable thing to do (review of previous work done on the subject matter, rationale)
  3. Why this is important (new knowledge to be obtained, improvements to health which will result)
  4. How you are going to do it (work plan, timelines, analysis and interpretation of results, pitfalls, ways around the pitfalls, alternatives)
  5. Why you should do it (relevant prior experience and skills, collaborators or technical gaps, preliminary data showing feasibility).
- d. Attach a clear, concise description of how the project described in the Research Proposal section of the application fits within the applicant's planned program of research for the next five (5) years.
3. Attachments
    - a. Letters of collaboration and support
      - i) Letters of collaboration, along with a signed statement from each collaborator confirming his or her willingness to participate in the manner indicated.
      - ii) Two letters of reference from individuals familiar with the applicant's work and the area of proposed research. One letter of support from the appropriate University of Manitoba Department or Section Head.
      - iii) A letter from Dean of the Faculty or the Associate Dean (Academic)
    - b. Other responsibilities of the candidate (attach one page completed and signed by the applicant's Department Head):
      - i) Teaching
      - ii) Clinical work
      - iii) Administrative duties
      - iv) Corporate involvement (involvement on boards or advisory committees)
