 Spanned: CRN 10366 Fall only: CRN 10364
 GRAD 8020 Doctoral Re-registration
 Spanned: CRN 10372 Fall only: CRN 10371

Circle the above (spanned or fall only).

Circle the above (spanned or fall only).

It is recommended that you register for re-registration in addition to your courses, thesis or candidacy exam. Register for "fall only" where your thesis and re-registration is concerned ONLY if you are ABSOLUTELY certain you will graduate in February.

Student _____ Date: _____

Advisor: _____ Date: _____

Departmental Approval: _____ Date: _____

Please Note: **All elective courses require permission of the instructor, approval from your advisor and the program director prior to registration.** If you wish to register for a course in another U. of M. department you will need to attach evidence of approval from that instructor to this form and prior to registering. You may register for courses listed and approved only. If you wish to voluntarily withdraw from a course you must complete a registration revision form and submit it to the Graduate Office (S111), Medical Services Building, 750 Bannatyne Avenue, Winnipeg. Returning students must submit both the registration approval form and annual progress report to the Graduate Secretary, Room S111, Medical Services Building prior to registration. Registration blocks will be removed once both documents are received and processed. **Please ensure that forms are completed and signed/approved by appropriate parties prior to submission.**

PhD students: You may NOT retain the status of full-time while employed full-time without prior permission of the Dean of the Faculty of Graduate Studies and recommendation from your major department (see Graduate Calendar). **(check off courses on page two)**
