Proposed program of courses for DIPLOMA IN POPULATION HEALTH (Dip.P.H.)

2012 / 2013 Program: Full-time student Part-time student

A total 18 credit hours of 7000 level courses are required for the Dip.P.H. degree.

Three 3-credit hour required courses are:

CHSC 7820 Biostatistics for Community Health Sciences 1

CHSC 7480 Organization and Financing of the Canadian Health Care System

CHSC 7520 Principles of Epidemiology 1

One concepts course:

CHSC 7500 Core Concepts in Public Health , OR

CHSC 7860 Methods and Concepts for Community Health Sciences

Two elective courses

Refer to “Graduate Course Offerings” for elective course selections.

Begin with courses you may have already taken for credit as an “occasional student” or through another department and then proceed to your program for 2012/2013 and for subsequent years. Base your program on current course offerings. Program should add up to total program requirements.
