

Taking it to the streets: from data to practice

A/Professor Jane Freemantle
University of Melbourne, Australia

**'Going for the Gold' MCPH 20th Anniversary
Conference**

Manitoba, March 2010

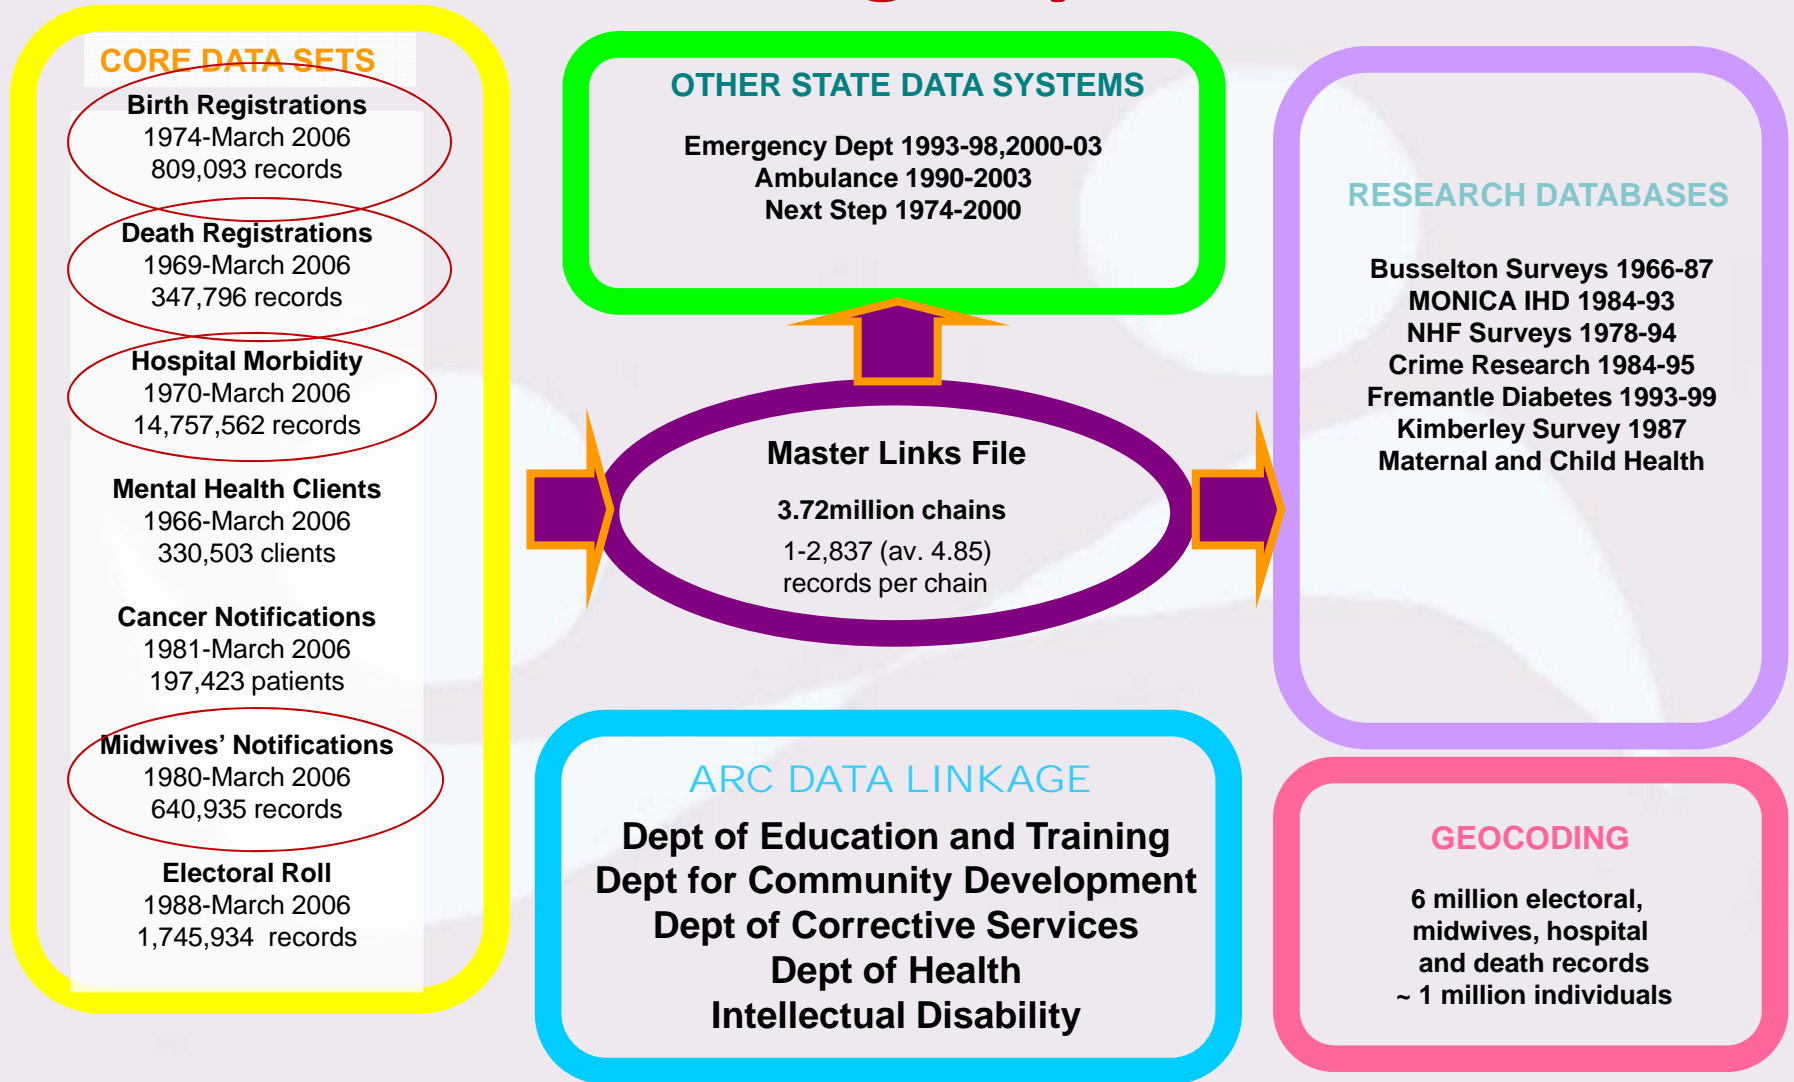

Onemda VicHealth Koori Health Unit

Getting the data

Onemda VicHealth Koori Health Unit

WA Data Linkage System 2006

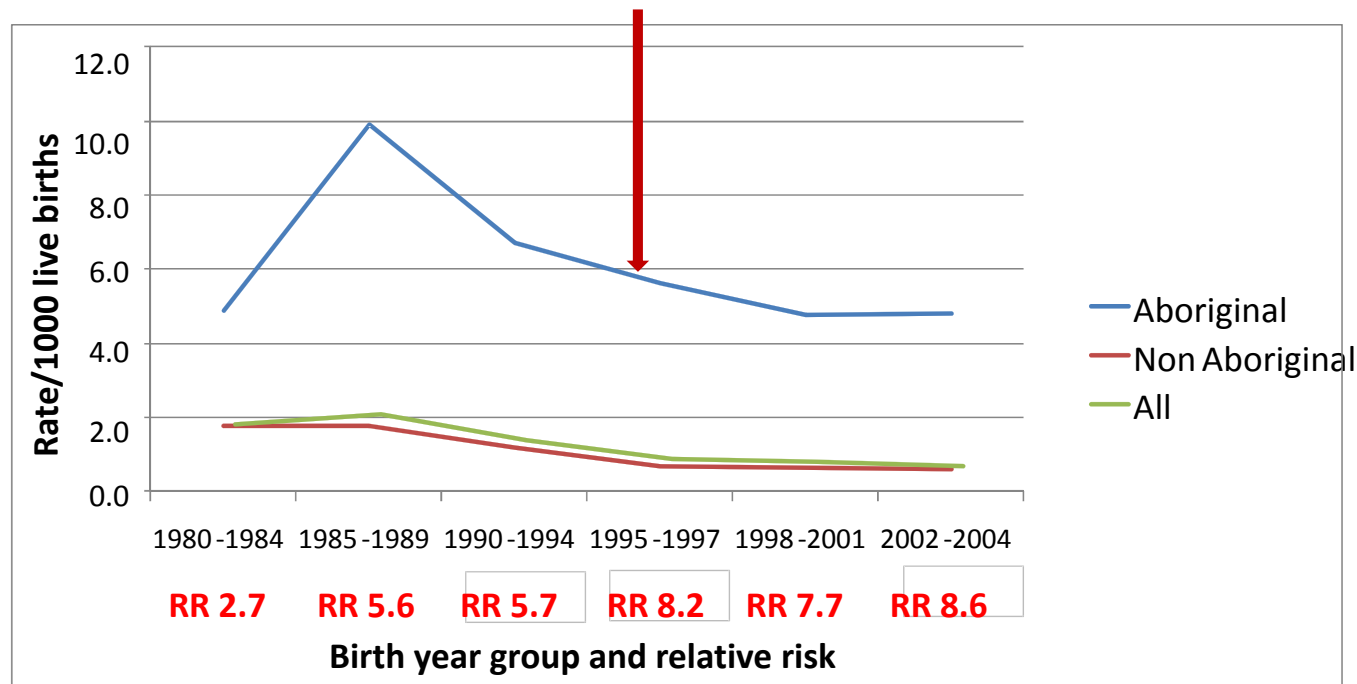

Analysing the data

Onemda VicHealth Koori Health Unit

Rate of SIDS+ among Western-Australian born infants, 1980-2004

Note: SIDS+ includes deaths classified as 'SIDS' and cause 'unascertainable'.

Using the data – using networks
