Number: 1 award

Deadline:

Application: None needed

Professor Richard Gillis has established a fund to provide an award, valued at \$350.00 a year, to a student entering and continuing in the Faculty of Music at The University of Manitoba. The recipient of this award will be offered the award upon acceptance to the Faculty of Music and will receive a renewal of the award for each year of the four year program in the Faculty. This award will be offered to a student who:

- has been admitted to the Faculty of Music at The University of Manitoba;
- has achieved a minimum admission average of 75 percent in high school;
- has declared a major practical study in one of the brass instruments;
- has shown great skill and promise in the playing of the chosen brass instrument, as evidenced in the Faculty of Music entrance auditions.

The recipient of the award can renew this award for three years, if the following criteria are met each year:

- The student enrolls full-time in the current academic session;
- The student has achieved a minimum sessional grade point average of 2.5 on the previous regular academic session;
- The student maintains a major in a brass instrument of choice.

This award will only be made to one student, for the academic session 1999-2000, and no new award recipients will be named during the time that this recipient renews the award. After four years, the donor of the award will consider additional gifts to the fund in order to extend the viability of this award. If the award is to continue after the 2002-2003 academic session, a new recipient will be named and the award will be available to that student for four years.

In the case that the first recipient of this award does not meet the renewal criteria for the award, the \$350.00 award will be offered to a new entering student each year.

The selection committee shall be named by the Dean of the Faculty of Music.
