From contributions made by friends and associates of Leonard Isaacs, Founding Director of the School of Music, a scholarship fund has been established at The University of Manitoba. The Manitoba Scholarship and Bursary Initiative has made a contribution to this fund.

Beginning in 1977 (for tenability in the 1977-78 academic year), a scholarship initially valued at \$600.00 (starting in 1999, the award will be valued at the available annual income) will be awarded annually to a student of high standing who:

- enters upon, or continues in, the degree program of the Faculty of Music of The University of Manitoba;
- registers in the academic year immediately following notification of award for the next year in course.

If the student to whom this scholarship is offered does not register as required, the scholarship will then be awarded by reversion to the next qualified candidate. The status of the fund will be reviewed annually and, if earnings on, or addition to, the fund permit, the value of the annual scholarship may be increased.

The selection committee for this scholarship will be named by, and will include, the Dean of Faculty of Music of The University of Manitoba.
