In memory of Andrew Kuryk, the Kuryk family and his classmates, instructors and friends have established a fund at The University of Manitoba. The Manitoba Scholarship and Bursary Initiative has made a contribution to this fund.

From the fund, an award of \$1000.00 which will be applicable to tuition costs at the Faculty of Music will be made available annually to a full-time student in the Faculty of Music, Bachelor of Music degree program. To be eligible, the student must:

- be a full-time student in the Faculty of Music;
- be a member of the University Singers;
- have demonstrated those qualities which Andrew Kuryk demonstrated during his time in the Faculty of Music: leadership, a devotion to a musical career, and a willingness to devote time to others in the service of musical objectives;
- have achieved a GPA of 3.0 or better cumulative standing in the major courses.

Students will be nominated for this award by faculty members or members of the University Singers.

The state of the fund supporting this scholarship will be reviewed annually and if the income permits, the value of the award may be increased. Surplus revenue in any year is to be returned to the capital of the fund supporting this award.

The selection committee for this award will be named by the Dean of the Faculty of Music and will include the Director, the Conductor of the University Singers, one senior student, and a member of the Kuryk family.

While it is anticipated that the fund will generate the \$1000.00 amount, the award will be given in 1995 using income available with the possibility of supplementation by the Kuryk family.

The University of Manitoba reserves the right to make changes in these terms conforming as closely as possible with the original intention.
