In memory of W.H. Shinn, for many years a music teacher in Winnipeg, his son, B. Franklyn Shinn, has established a bursary fund at The University of Manitoba.

From this fund, effective for tenability in the 1984-85 academic year, an annual bursary of \$500.00 will be available to a student of high musical promise who enters the degree program in the Faculty of Music.

Preference will be given, where possible, to candidates who are performers on one of the standard orchestral instruments. The state of the fund supporting this bursary will be reviewed annually and, if either or both of earnings on and additions to the fund permit, the value of the bursary will be increased.

The selection committee for this bursary will be named by, and will include, the Dean of the Faculty of Music.
