Application: None needed

Through a contribution of \$200,000.00 from Don Wright, enhanced by the Manitoba Scholarship and Bursary Initiative, an endowment fund of \$350,000.00 has been established to provide renewable entrance scholarships for students in the Faculty of Music. Beginning in 2007, scholarships will be offered at a minimum value of \$1,000.00 to students who:

- are entering the Faculty of Music at the University of Manitoba as full-time students and have met all the requirements for direct entry to the program;
- have achieved a minimum of 70% average on the best five courses appearing on the list of acceptable courses for entrance scholarship consideration or; for students entering mid-program, have achieved a minimum cumulative grade point average of 3.0;
- are the most deserving entering students as determined through audition and selected by the Faculty of Music Scholarship Committee.

This scholarship is renewable at the value initially offered in each of the second, third, and fourth years of study at the University of Manitoba provided that the recipient:

- achieves a minimum sessional grade point average of 3.0;
- proceeds into the next year of study as a full-time student in the Faculty of Music or Music Education program.

Students entering mid-program will only receive scholarship renewal offers for their remaining years of study in the music program.

Each year, the number and value of individual scholarships to be offered will be determined by the selection committee. New scholarship offers will be made after all renewals have been offered. In any given year where there is unspent revenue remaining after the initial selections have been finalized, it may be allocated at the selection committee's discretion as one-time, non-renewable awards.

Upon entrance to the University of Manitoba, if candidates are recipients of any entrance scholarships through the University of Manitoba Entrance Scholarship program that have a value equal to or greater than that available through the Don Wright Entrance Scholarship in Music (including the Leader of Tomorrow Scholarships) they will receive the Don Wright Entrance Scholarship in name only for that year but will qualify for renewal payments if they meet all the renewal criteria. This scholarship cannot be held with the Isabel Auld Entrance Scholarship or the Chancellor's Scholarships.

The selection committee will be the Faculty of Music Scholarship Committee.
