<td>Social Aspects of Aging</td>
<td>3</td>
</tr>
</tbody>
</table>

*For information on Science electives and the associated prerequisites, see the Science section of the Undergraduate Calendar (available online at umanitoba.ca).

Caution!
The following two courses CANNOT be used as Science electives:

- Former BIOL 1110 Health and Health Professions
- HEAL 160-0 Health and Health Professions

Caution!
NURS 1280 is no longer offered at the University of Manitoba but if it was completed in the last five years it can be used as an elective for the admissions requirements.

Tip: NURS 1500 Preparing for Professional Nursing Education is only open to students in the Aboriginal Nursing Cohort Initiative (ANC) Pre-Nursing Program.

ADMISSION

Admission is based on adjusted grade point average (AGPA). Please refer to the website (umanitoba.ca/nursing/prospective/undergrad/AGPA_Calculation_BN.html) for information regarding the AGPA.

*For full admission details, please refer to the Applicant Information Bulletin (umanitoba.ca/admissions)

PROVISIONAL ACCEPTANCE

Successful applicants are required to submit Non-Academic Admission Requirements documentation. Acceptance to the program is conditional until completion and submission of these items. Admission will be revoked if all requirements are not met and all documents are not submitted to the College of Nursing by deadlines indicated.

PROFESSIONAL DESIGNATION

A graduate of the Bachelor of Nursing program must write the National Council Licensure Examination (NCLEX-RN) to become eligible to practice nursing. Completion of the program entitles students to work as graduate nurses and to write the NCLEX-RN to obtain the designation, Registered Nurse (RN). Application and registration information can be obtained from the CRNM website at CRNM.MB.CA.

DISCLAIMER

The College of Nursing reserves the right to make changes to the information contained in this brochure without notice. Visit the University of Manitoba website umanitoba.ca to ensure you have the latest details.
