

RADY FACULTY OF HEALTH SCIENCES

COLLEGE OF NURSING

ABORIGINAL NURSING COHORT INITIATIVE (ANCI) PRE-NURSING INITIATIVE

The Aboriginal Nursing Cohort Initiative (ANCI) Pre-Nursing Program offers a combination of academic and personal supports to prepare you for entrance into our Bachelor of Nursing (BN) program.

Designed with First Nations, Metis, and Inuit students in mind, our program includes access to an Elder-in-Residence, as well as regular meetings with a student advisor/counsellor and with an academic coach throughout the year. Smaller class sizes give you the opportunity to connect with your classmates and build personal and professional relationships that will help you feel at home. Our internationally recognized faculty and state-of-the-art facilities will give you the tools you need to build a strong academic foundation to continue on with your studies.

If you are of Canadian Indigenous ancestry and you are interested in a career as a nurse, we encourage you to take advantage of this unique opportunity.

FEATURES

- Hands-on clinical practice
- State-of-the-art facilities
- Internationally-recognized program
- Home of the Manitoba Centre for Nursing and Health Research (MCNHR)

ABORIGINAL NURSING COHORT INITIATIVE (ANCI) PRE-NURSING PROGRAM

Students in the ANCI program complete 30 credit hours of admission requirements to prepare for application to the Bachelor of Nursing program, including NURS 1500 Preparing for Professional Nursing Education. This course is designed to help you develop the knowledge, skills, attitudes and approaches to learning you will need to succeed in the Bachelor of Nursing program.

STEP 1: Complete an application for the Aboriginal Nursing Cohort Initiative (ANCI) Pre-Nursing program

STEP 2: Apply online to the University of Manitoba at umanitoba.ca/student/admissions to University 1.

Year 1 / University 1 (30 credit hours)

Course #	Course Name	Credit Hrs
BIOL 1410 ¹	Anatomy of the Human Body ¹	3
BIOL 1412 ¹	Physiology of the Human Body ¹	3
MBIO 1220 ¹	Essentials of Microbiology ¹	3
Science Electives ^{1,2,3,4 & 5}		9
Electives ^{1&5} (see chart options below)		12
TOTAL		30

Electives must be from any combination of the following courses/subjects for a total of 12 credit hours.

Social Sciences^{1 & 5}

Humanities^{1 & 5}

NURS 2610 / KIN 2610 Health and Physical Aspects of Aging (3 cr)

REC 2650 / SWRK 2650 / HMEC 2650 Social Aspects of Aging (3 cr)

¹ All courses can be completed in University 1, or an equivalent program, if students do not wish to extend their program of study.

² Science electives are courses taught by the Faculty of Science. With exception of Geological Sciences (GEOL 1XX0), courses under the Clayton H. Riddell Faculty of Environment, Earth and Resources do not meet the Science elective requirement if taken 2003-2004 and later. 1000 level introductory Geological Sciences courses (GEOL 1XX0) will be accepted as Science courses if taken prior to September 1, 2006.

³ The former BIOL 1110 Health and Health Professions may not be used as a Science elective.

⁴ Science Prerequisites. Students must meet the current Science prerequisites before registration for Science courses. See the Faculty of Science section in the General Calendar for the current prerequisites. It is preferred that the above prerequisites have been completed within the last five years. Math 40S is a prerequisite for BIOL 1000 and BIOL 1010.

⁵ All courses must be 1000 level or higher. "0900" level courses (e.g., ENGL 0930) are not accepted for admission or transfer credit.

Please contact ANCI student advisor if you have any questions about the program requirements.

BENEFITS

CULTURAL SUPPORT

Visit the Elder-in-Residence for cultural and spiritual guidance.

TUTORING

Get the support you need to reach your full potential. You can access tutoring in many subject areas.

ACADEMIC AND PERSONAL SUPPORTS

Stay on track by meeting regularly with your student advisor/counsellor and academic coach.

SMALL CLASS SIZE

Feel confident and encouraged in a small-class setting.

FINANCIAL SUPPORT

Learn where to find funding and receive help with funding applications.
