### Xi Lambda Chapter STTI Research Award

This \$2,000 award is given to recognize a Xi Lambda member who is advancing nursing science.

#### Criteria

- Must be an active participating Xi Lambda member for minimum of 2 years within the last 5 years of membership
- Award recipient must be either a principle or co-principle investigator in the research project
- Completion of application form that can be downloaded from <http://umanitoba.ca/faculties/nursing/info/sigma.html>
- Concise CV containing academic background, work experience, memberships and involvement in nursing organizations, awards/credentials, and contributions such as publications, presentations, and involvement with Xi Lambda Chapter.
- 300 word (maximum) proposal that includes the purpose of study, research question, methods, analysis, and the significance of the study plus how it advances nursing science. Do not submit additional documents or a full proposal.
- Include a brief budget that identifies how the monies will be used to complete the study.

#### Terms and Conditions

- Receipt of funds is conditional upon approval of the research proposal by an appropriate institutional ethical review board such as the Education/Nursing Research Ethics Board, University of Manitoba (<http://www.umanitoba.ca/research/ors/ethics>) if applicable.
- If, at the end of one year, the study/project is not completed, consideration will be given to the applicant's request to extend the award date for one additional year. All unused money is returned at the award completion date.
- Any changes to the study timelines require notification in writing to the Research Chair, Xi Lambda Chapter, STTI ([chapterxilambda@gmail.com](mailto:chapterxilambda@gmail.com) or [albensi6@gmail.com](mailto:albensi6@gmail.com))
- Publications and presentations of the study/project's findings are encouraged and must acknowledge Xi Lambda Chapter, STTI.
- The successful recipient is strongly encouraged to attend a Xi Lambda meeting to personally receive the award.
- One page report is to be submitted to the Executive of Xi Lambda Chapter within 3 months of the completing the study. Excerpts from the report will be published on the Chapter webpage.
- The findings will be presented at a Xi Lambda Educational Session.
- Deadline for submissions is midnight November 30, 2017 via email. Attention Research Chair, Xi Lambda Chapter, STTI ([chapterxilambda@gmail.com](mailto:chapterxilambda@gmail.com) or [albensi6@gmail.com](mailto:albensi6@gmail.com))
- Only complete application packages will be eligible for consideration.
