Faculty of Nursing
Professional Unsuitability By-Law

1.00 Jurisdiction

1.01 General

The purpose of the Professional Unsuitability Committee is to review and make recommendations regarding the suitability of a student for the profession of nursing. The Faculty of Nursing may require a student to withdraw from the Faculty pursuant to the procedures set out in this By-Law when the student has been found unsuited, on consideration of competence or professional fitness, for the practice of nursing. A student may be required to withdraw at any time throughout the academic year or following the results of examinations at the end of any academic term. This right to require withdrawal prevails notwithstanding any other provision in the Faculty's Rules or Regulations. The Canadian Nurses' Association Code of Ethics, as the ethical basis for nursing in Canada, will be considered in every situation in which an inquiry is being held into the conduct of a student in the practice of nursing. Furthermore, in accordance with provisions of the Manitoba Human Rights Code, the Faculty’s duty to reasonably accommodate the special needs of its students will be considered. This by-law normally pertains to students in the Four Year Undergraduate Program. In cases of professionally unsuitable conduct of students in the Baccalaureate Program for Registered Nurses or the Graduate Program, the student will normally be referred to the College of Registered Nurses of Manitoba.

1.02 Grounds for required withdrawal

A student may be required to withdraw from the Faculty when the student has:

• been found guilty of such conduct which, if participated in by a practicing registered nurse would result in suspension or expulsion of the practitioner from the practice of nursing or such other disciplinary actions available against a practitioner by the governing body of the profession;
• practiced incompetently in any clinical setting;
• jeopardized professional judgment through self-interest or a conflict of interest;
• demonstrated behaviour with respect to other students, colleagues, faculty or the public which is exploitive, irresponsible or destructive;
• acquired a criminal conviction which according to the established Faculty processes was determined to be of such a nature as to bring disrepute to the profession, or by which in the opinion of the Faculty, the student demonstrated poor judgment, lack of integrity or (other) unsuitability for the profession;
• any health condition, the occurrence of which impairs essential performance required for the health profession;
• been under the influence of alcohol or drugs while participating in client care, any other professional activity, or any activity related to the practice of the nursing profession;
• demonstrated unethical behaviour as specified by the Canadian Nurses’ Association Code of Ethics.
2.00 **Professional Unsuitability Committee (PUC)**

In no circumstances will a referral be based solely on anonymous allegations or materials. Anonymous materials are defined as “authorship that has not been disclosed”.

3.02 The PUC shall:

   i) send a Notice of Hearing to the named student pursuant to Article 4.01 by registered mail to the last known address of the student as found on the Faculty’s records. At the student’s request, additional information may be sent by regular mail, email or facsimile;

4.04 The student whose case is to be dealt with shall be permitted to challenge and thereby cause to be disqualified any member of the PUC. In such a case, the Chair would consider the grounds for the challenge and may replace the disqualified members pursuant to section 2.01.

4.05 The student may provide a written response to the grounds. Such written response should be provided to the PUC within five (5) working days of the hearing date, or at the discretion of the Chair.

5.07 A simple majority of the members hearing the matter is required for any finding or for the determination of the appropriate disposition of the matter.

5.08 The Chair of the PUC shall vote only to break a tie.

5.09 Members of the PUC shall be bound by confidentiality in respect of information received in Committee. Information will only be disclosed as is reasonably necessary to implement the investigation, the resolution or the terms of any disposition imposed, or as required by law.

6.04 The student may request the PUC to consider removal of the notation from the transcript.

7.00 Appeals

7.01 If the student wishes to appeal a disposition of the PUC, such appeal may be made to the Senate Appeals Committee in accordance with the procedures of that body.

7.02 In the event of an appeal, the implementation of any decision of the PUC may be suspended until the matter has been disposed of by the Senate Appeals Committee.

7.03 Notwithstanding the above, if the President of the University is satisfied that it is in the best interests of the University, the President may at any time make an order, subject to final disposition of the appropriate review authority, suspending the student from participating in any program of the University.
