Assistant or Associate Professor, Tenure-Track Appointment

The University of Manitoba, Faculty of Pharmacy is seeking applications for a full-time tenure-track position at the rank of Assistant or Associate Professor, commensurate with qualifications and experience. The successful candidate will be expected to pursue scholarship in all areas of performance showing keen interest in the discovery of knowledge in their specialty area. Commitment to collegiality and proven ability to work within a richly diverse environment is required. Applicants must possess a post-baccalaureate degree (Pharm.D., Ph.D. or equivalent), with post-doctoral or fellowship training. All applications from qualified individuals will be considered, with preference given to applicants with specific expertise in clinical sciences, pharmaceutical sciences, pharmacogenomics, or health policy. The successful candidate will be expected to possess and develop an area of research funded by either of the tri-council funding agencies, teach in the Graduate and Undergraduate programs, and provide service to the Faculty and University.

The Faculty of Pharmacy is located at a new state-of-the art teaching and research facility on the Bannatyne Campus at the University of Manitoba. There are significant opportunities for collaboration within Pharmacy and other health science faculties. As well, the Manitoba Centre for Health Policy (in the Faculty of Medicine) provides access to a world-class population-based research unit, with a rich data repository which includes person-level health, pharmaceutical and social services data for the population of Manitoba. The campus also has excellent library facilities for the health sciences, and is proximally located to several tertiary teaching hospitals. For more information visit the website of the Faculty of Pharmacy at <http://umanitoba.ca/faculties/pharmacy/>.

Winnipeg is the largest city in the Province of Manitoba. The city has a rich cultural environment, including symphony, opera, ballet, theatre, and ethnic festivals. Besides supporting professional baseball, football and hockey teams, the region provides ample opportunities for outdoor recreation in all seasons. The Winnipeg housing market is one of the most favourable in Canada. To learn more about Winnipeg visit <http://www.tourismwinnipeg.com/>.

Salary will be commensurate with qualifications and experience. The University of Manitoba encourages applications from qualified women and men, including members of visible minorities, Aboriginal peoples, and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Closing date for applications are November 30, 2011 or until a suitable candidate is found. Expected date of appointment is April 1, 2012 or soon thereafter. Applicants can apply in writing or by email by sending a letter of application (referencing position number 13795) with a brief outline of teaching and research interests, curriculum vitae, and the names and contact information of three references to the address below. Please note that only complete applications will be considered.

Dr. Frank Burczynski, Search Committee Chair & Professor
