FACULTY OF SOCIAL WORK PROGRAM

FACULTY OF SOCIAL WORK MISSION STATEMENT

To pursue knowledge and provide accessible and inclusive educational programs that will advance the fields of social work practice and social policy at all levels and that will contribute to the development of societies in promoting respect for human rights and dignity, individual worth and wellbeing, diversity, social inclusion, and the principles of social justice. To prepare students for ethical, competent, critically reflective, innovative, anti-oppressive, accountable, and effective social work practice at all levels. To create and maintain a learning environment that promotes and supports respect for difference, risk-taking, democratic participation, a spirit of inquiry, equity, innovation, originality, and collaboration. To acknowledge, support, and promote different traditions of knowledge and different methods of knowledge gathering.

FACULTY OF SOCIAL WORK VISION STATEMENT

The vision of the Faculty of Social Work is to help create and contribute to a world where there are no great inequalities of wealth or income, where economic and political power is more evenly distributed, where human need is the central value of distribution of society’s resources, where diversity of culture is celebrated, where people have greater control over their own lives, and where all persons are afforded maximum opportunity to enrich their physical, spiritual, psychological, and intellectual well-being. Being the only university-based social work program in Manitoba and the largest program in Canada, this vision also includes the Faculty playing a leading role in the socio-economic-cultural development of the Province in particular, but also to Canada and beyond, which is consistent with the University’s own vision statement. To these ends, it is necessary that the Faculty become one of the outstanding social work programs in Canada with respect to research, quality education, community service, and the accomplishments of its graduates.

M.S.W. PROGRAM INFORMATION

The M.S.W. program structure includes both common core and specialized courses. This structure ensures that students have knowledge and skills required to meet the standards of our accreditation body, the Canadian Association for Social Work Education (CASWE). The program offers students flexibility in designing a program that meets their learning objectives.

All students must complete 12 credit hours of core courses, 9 credit hours of specialized courses within and a 3 credit hour elective course (which may be taken within Social Work or other departments). Students choose either the course-based option, which includes the completion of SWRK 7180 (0 credit hours) and SWRK 7190 (3 credit hours), or the thesis option.

The M.S.W. Program is not offered through distance delivery.

PROGRAM REQUIREMENTS

Students may take the M.S.W. program on a full-time or part-time basis. There is a four-year time limit to complete the M.S.W. program on a full-time basis and up to a six-year time limit to complete the M.S.W. program on a part-time basis. M.S.W. students must request part-time status by completing the "Request for Part-Time Status" form, accessible on the Faculty of Graduate Studies website. Section 1.4.1 in the Faculty of Graduate Studies Academic Guide contains information on calculating maximum time for graduate students. The Faculty of Graduate Studies permits up to six years for the completion of all requirements for the degree for students admitted prior to September 2013.

The program requires at least 12-18 months of full-time study (students who choose the thesis option may require more time depending on the nature of their research).

The credit hour requirement is 27 credit hours in the course-based option, which includes the completion of SWRK 7180 (0 credit hours) and SWRK 7190 (3 credit hours) and 24 credit hours in the thesis option.

Students admitted between Fall 2014 and Fall 2019 should consult the degree requirements for the previous curriculum in Appendix A.

Students admitted prior to 2014 should consult the degree requirements in Appendix B.

## GRAD 7500 Academic Integrity Tutorial (0)

All graduate students must complete GRAD 7500. Students newly admitted to a graduate program must successfully complete this course in the first term of registration. Students who have previously completed the course may not have to complete it again.
ELECTIVE COURSES

Electives are chosen in consultation with, and approved by, the faculty advisor. Elective courses are recorded on the Program Plan Form by the faculty advisor. Students must seek written approval of their electives prior to registration. Courses chosen as electives must be at the 3000 level or higher.

The selection of electives outside the Faculty of Social Work can be a time-consuming procedure. Students in other faculties have priority registration in those courses and space cannot be guaranteed in a non-Social Work elective course. Students are required to obtain written permission from the faculty and/or instructor offering the course. It is advisable to obtain the permission well in advance of registration.

For graduate students choosing an elective(s) outside of the Faculty of Social Work:

a) Consult the Undergraduate and Graduate Calendars for course offerings and descriptions and discuss options with the faculty advisor;

b) Contact the appropriate faculty or department directly to determine when and if the course is being offered in the current year; and

c) Find out if/how you will be able to register for the course (e.g., by written consent of instructor, written consent of department head, etc.)

Students are normally permitted to take one readings course as an elective.

NB: Please note that not all courses may be offered annually.
GRADUATE PROGRAMS

GRADE POINT AVERAGE CALCULATION

The University of Manitoba articulates, on an institutional level, the rules for calculation of Grade Point Averages (GPA). The purpose of the Grade Point Averages policy is to define and describe the manner in which GPA will be calculated and reported at the University.

http://umanitoba.ca/admin/governance/media/Grade_Point_Averages_Policy_-_2016_09_01.pdf

GRADING POLICY FOR THE GRADUATE PROGRAM

The descriptive labels for letter grades within the graduate programs at the Faculty of Social Work are:

<table>
<thead>
<tr>
<th>A+</th>
<th>Exceptional</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
</tr>
<tr>
<td>B+</td>
<td>Very Good</td>
</tr>

<td>Satisfactory</td>
</tr>
<tr>
<td>C</td>
<td>Adequate</td>
</tr>
<tr>
<td>D</td>
<td>Unacceptable</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
</tr>
</tbody>
</table>

The percentage equivalency scale for letter grades for the graduate programs in the Faculty of Social Work is as follows:

<table>
<thead>
<tr>
<th>A+</th>
<th>93-100</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>86-93</td>
</tr>
<tr>
<td>B+</td>
<td>79-86</td>
</tr>
<tr>
<td>B</td>

</tr>
</tbody>
</table>

<table>

<td>58-&lt;65</td>
</tr>
<tr>
<td>D</td>
<td>50-&lt;58</td>
</tr>
<tr>
<td>F</td>
<td>&lt;50</td>
</tr>
</tbody>
</table>

NB: Graduate students must achieve a minimum grade of C+ in each course and maintain an overall B average in their graduate program. Grades of C or lower are a fail at the graduate level.

ADVANCE CREDIT

Advance credit for courses completed prior to admission to a Master’s program may be considered on an individual basis. Students who have previously attended another university or faculty may request advance credit if the course(s) in question have not been used towards a previous degree and have a grade of C+ or higher. A decision on advance credit cannot be determined until official transcripts and complete course descriptions have been reviewed by the student’s faculty advisor. The faculty advisor will complete and submit the “Advance Credit – Transfer of Courses” form. The completed form is submitted to the Graduate Programs Student Advisor for processing. The Faculty of Graduate Studies will review the form and make the final decision whether Advance Credit will be granted. Application for advance credit must be made within the first year of the program and course(s) cannot be more than 7 years old either at the point the request is being made and/or by the time the student is ready to graduate from the M.S.W. program. Additionally, no more than half of the required coursework for the program can be given advanced credit.

http://umanitoba.ca/faculties/graduate_studies/forms/index.html
LAPSE OF CREDIT OF COURSES

Courses completed more than seven years prior to the date of awarding of a degree may not normally be used for credit toward that degree. Students may be required to replace expired courses.

THESIS OR COURSE BASED SPECIALIZATION OPTIONS

Specialized study in an area of practice or a field of interest is accomplished through either the course-based option or the completion of a thesis. A faculty member assigned to, or chosen by, the student acts as the faculty advisor for both options.

CHOOSING A FACULTY ADVISOR

Faculty members who are members of the Faculty of Graduate Studies are eligible to advise M.S.W. students. Faculty advisors are matched with students during the admission process. The student may take the initiative in selecting a faculty advisor. The student may find that s/he wants to change faculty advisors after a contract has been made with the faculty advisor. This can be done after the student has found that another faculty advisor is willing to work with her/him. The student should notify the first faculty advisor in writing when a new faculty advisor has consented to enter into a contract. As well, the student must fill out a Change of Advisor form.

http://umanitoba.ca/faculties/social_work/media/Advisor_change_formjune2015.pdf

THE ROLE OF THE FACULTY ADVISOR

- The student designs, with the faculty advisor, a program of study that will lay the base for his/her theoretical and methodological approach to his/her area of specialization. The faculty advisor must approve the program, including the elective course. Students are not permitted to change their program of study, including withdrawal from individual courses, without the approval of their faculty advisor/co-faculty advisor (and/or advisory committee) and/or Associate Dean/Dean. Withdrawal from courses, or changing courses without approval, may result in the student being required to withdraw by the Faculty of Graduate Studies.

- If the student chooses the thesis option, the thesis committee is comprised of three (3) members: the advisor/co-advisor as chair, one faculty member of the Faculty of Social Work, a third member that the advisor and Dean or designate deem qualified. At least two examiners must be members of the Faculty of Graduate Studies. The advisory committee is formed as soon as possible, but no later than when the student begins work on her/his thesis proposal. The faculty advisor/co-faculty advisor will recommend an examining committee to the Associate Dean/Dean for approval, which shall then be reported to the Faculty of Graduate Studies on the “Master’s Thesis/Practicum Title and Appointment of Examiners” form (http://umanitoba.ca/faculties/graduate_studies/forms/index.html);

- When a faculty advisor leaves the Faculty, or will be absent for a considerable period of time, s/he will be responsible for finding a suitable replacement or substitute, and will advise the Associate Dean of Graduate Programs & Research of her/his absence.
• The faculty advisor may teach a tutorial through a "Selected Topics" course (SWRK 7220 or SWRK 7280), but is not required to do so.

• The faculty advisor acts as a link to the Graduate Standings Committee regarding situations in which the student is not maintaining sufficient grades.

It is the role of the faculty advisor/thesis committee to:

• Approve the student's thesis proposal

• Monitor and evaluate the student's progress regarding his/her thesis

• Examine the completed thesis report

• Generally advise and assist the student in the process of completing the thesis. Will clarify for the student how the faculty advisor and/or Committee will perform this function.
THESIS

The Faculty of Graduate Studies has clearly defined general rules regarding thesis requirements in the Graduate Calendar and Academic Guide. The Master’s thesis should show that the student has mastery of a particular field and is fully conversant with the relevant literature. The purpose of the thesis should be to build or test theory through disciplined and focused independent study. In addition, the thesis represents a demonstration of the candidate’s competence in completing a research project.

THE THESIS PROPOSAL

Students in the thesis option must submit a written proposal to their thesis committee. This proposal should present the rationale underlying their proposed study, cite relevant literature to support their research intent, and provide a planned methodology for the thesis research. Students will work closely with their faculty advisors in the preparation of the proposal. Generally, the thesis proposal should include the following:

- A clear statement of the research problem, the rationale for the study, and objectives of the study.
- A presentation of the relevant literature and theoretical framework to be used in directing the study.
- A description of the research design, and data gathering methods, including strengths and limitations of each. Also, a description of the setting and research respondents should be included.
- The proposal should also outline the plan for data analysis.

Students require approval from all members of their thesis committee before proceeding with the research. This approval is granted at a thesis proposal meeting attended by the student and his/her thesis committee. The student is asked to present a summary of the proposed research and answer questions about the proposal. Following the presentation, questions, and discussion, thesis committee members meet in camera (in private) to decide if the proposal is accepted as written, accepted with required revisions, or failed. Should a proposal be failed, the student can revise and resubmit the proposal a second time. Failure of the proposal a second time will constitute a failure of the thesis and will be required to withdraw by the Faculty of Graduate Studies.

PROCEDURES FOR PROTECTING THE HUMAN SUBJECTS INVOLVED IN RESEARCH

The University of Manitoba is committed to protecting the rights and welfare of human subjects participating in research studies. All research projects involving human subjects conducted at, or under the auspices of the University of Manitoba, require prior ethics review and approval by a Research Ethics Board (REB). Although students’ research must be sponsored by the faculty member who supervises their research, such sponsorship does not in any way diminish the obligation of students as members of the University of Manitoba community to comply with this policy, the TCPS, or other codes that govern the ethical conduct of research involving human subjects.
Most student thesis research must be submitted for REB approval and advanced field practice activities must be submitted for REB approval if the student plans to publish results of their advanced field practice activities. REB policy and procedures are found on the university website.

http://umanitoba.ca/research/orec/ethics/human_ethics_index.html

**THE THESIS DEFENSE (ORAL EXAMINATION)**

Each student is required to make an open oral defence of her/his thesis following its distribution to the committee. The oral defence should occur within one month of its distribution to the committee. If the written thesis report is deemed unacceptable, the student shall be advised against making an oral defence. Notwithstanding this provision, the student has the right to examination of the thesis if s/he believes it is ready for examination. The defence is undertaken in the following manner:

1. The thesis is presented to a meeting open to the faculty and graduate students of the Faculty of Social Work as well as members of the University and community. The oral examination is chaired by the student’s thesis faculty advisor.

2. The first part of the oral examination shall consist of an oral presentation by the student that includes a summary of the salient points of the research within a time span of 25 to 30 minutes. This is followed by the questioning and examination of the student by the examination committee, which does not normally exceed one and one-half hours. The Chair may exercise discretion in inviting questions from guests following completion of the formal examination.

3. The thesis committee meets after the open meeting in camera (in private) to review both the oral defence and the written thesis report and make a disposition. The decision to pass the student must be unanimous.

4. The thesis committee then meets in camera with the student to discuss any changes that may be required before the thesis is finally accepted. The faculty advisor is normally responsible for ensuring that revisions are completed according to the instructions from the examining committee.

5. In the case of a failure of the thesis at the Master’s level, a detailed written report will be prepared by the Chair of the examination committee and submitted to the Faculty of Graduate Studies, who will make the report available to the student and faculty advisor/co-faculty advisor. If the presentation and defence of the thesis is failed on two separate occasions, a recommendation will be forwarded to the Faculty of Graduate Studies who will require the student to withdraw from the program.
THE SPECIALIZATION COURSE-BASED OPTION

Two courses were designed by the Faculty to replace the practicum option to complete the M.S.W. program. SWRK 7180 Advanced Field Practice (0 credit hours) and SWRK 7190 Integrating Theory and Research in Advanced Field Practice (3 credit hours).

The courses SWRK 7180 and SWRK 7190 are not available as electives to meet the course requirements for the 24 credit hours required independent of the thesis or Advanced Field Practice. They are not open to students electing the thesis option to completing the M.S.W. program. They are not open to students in other faculties / departments. For students taking the Course-Based Option, the 2 courses are in addition to the 24 credit hours of coursework required by all M.S.W. students. Core courses for the student’s program should be completed prior to, or concurrently with, SWRK 7180 and SWRK 7190.

Please note that all students, in order to be eligible to graduate from the Course-Based Option in the M.S.W. program, graduate students must complete 27 credit hours. Students who have had any courses waived must replace those credit hours.

If you are a student who has had a course in their M.S.W. Program waived you should meet with your faculty advisor to develop a plan to ensure that you have met the 27 credit hour requirement for the Course-Based Option.

Students currently in the Thesis Option should be aware that if you choose to switch from the Thesis to the Course-Based Option you would need to meet the 27 credit hour requirement.

Please note that supervision of the student’s day-to-day work will be done by a field/agency supervisor guided by an advanced learning contract prepared by the student.

SWRK 7180 is graded as a PASS/FAIL course. SWRK 7190 is a 3-credit course and is graded as a letter grade. The grade received will be included as part of the student’s grade point average.

SWRK 7190 (Integrating Theory and Research in Advanced Field Practice) may be taken concurrently with SWRK 7180 (Advanced Field Practice), although SWRK 7180 will normally be completed prior to SWRK 7190. It cannot be taken prior to SWRK 7180.

ADVANCED FIELD PRACTICE – SWRK 7180 (0 CREDIT HOURS)

The course requires a minimum of 450 hours of advanced field practice experience where the focus is on the development of specialized skills and knowledge in social work. Along with the course SWRK 7190, Integrating Theory and Research in Advanced Field Practice, this course is a culminating activity in the M.S.W. program for those students who choose the non-thesis option. The course is student directed in that the student defines specialized learning goals.

Activities carried out during the implementation phase of the field experience occur under supervision in an agency setting. The field practice experience must include an examination of theory and research related to activities that are designed, and carried out, during the implementation phase. Since the Faculty of Social Work is committed to social change and social justice, in completing the field practice, attention should be paid to experiences of systemic discrimination on the basis of gender, ethnic origin, skin colour, language, religious and spiritual beliefs, class, sexual orientation and sexual identity,
disability, age, culture or any other characteristic. Co-requisite: SWRK 7190 Integrating Theory and Research in Advanced Field Practice.

EVALUATION
The final grade is assigned as either Pass or Fail. Student progress is reviewed on an ongoing basis. However, a more comprehensive review of student progress must occur at least once during the implementation phase of the field practice, normally at the mid-point of the implementation phase. The evaluation process will include input from any other staff involved in supervising the student’s field practice.

The student may appeal an unsatisfactory final grade to the Appeals Committee of the Faculty of Social Work. A student who fails the Advanced Field Practice course must request to the Graduate Standings Committee of the Faculty of Social Work for permission to repeat the course. A student who fails the Advanced Field Practice twice will be required to withdraw by the Faculty of Graduate Studies.

STUDENT RESPONSIBILITIES
The student is responsible for:

- preparing an advanced learning contract, which includes relevant personal and practice background preparation, a plan for practice experience that integrates theory and research with practice, and learning goals;
- applying social work values, adhering to the CASW Code of Ethics and CASWE guidelines/standards in all practice situations, and acting in a professional manner as a representative of the agency and faculty;
- producing documentation of a minimum of 450 hours of direct and indirect practice activities, including the time spent on these activities, on a continuing basis which may take the form of tapes, process or case recordings, reports, summaries, and such other forms of documentation as may be required;
- preparing for, and actively participating in educational supervision with the field supervisor;
- reflecting on their practice, and actively participating in the evaluation process as outlined in the course objectives.

EDUCATIONAL SUPERVISION
Supervision of the student’s day-to-day work will be done by a field/agency supervisor, as negotiated during the initial stage. The purpose of supervision is to ensure that the course objectives are met, and will include: (1) guidance in the integration of practice theory and research with practice; (2) case management and case/project supervision; (3) feedback on progress, reflexive practice, and professional development.
FIELD PRACTICE AT PLACE OF EMPLOYMENT

A field placement at the student’s place of employment is contingent upon the following:

- The faculty advisor(s) shall ensure that the field placement site is able to provide the student with appropriate opportunities to achieve the objectives of the advanced field practice.
- The faculty advisor(s) shall ensure that the advanced field practice activities are not in conflict with agency policies and procedures.
- The student shall be accountable to the faculty advisor(s) for field-placement-related activities.
- The Faculty requires that the student spend a certain amount of time in field placement-related activities at the field placement site and these activities must fall outside the scope of the student’s employment related work.
- The student’s faculty advisor must not be an employee of the organization where the field placement is being completed.
- Final decisions about the appropriateness of field practice placements in a student’s workplace rests with the Graduate Standings Committee.

PROCEDURES FOR EVALUATING THE ADVANCED FIELD PRACTICE

Overall, the evaluation of the advanced field practice is the responsibility of the agency/field supervisor. As part of the evaluation process, the student must:

- Provide documentation of a minimum of 450 hours of practice. This may include direct client contact, meetings, supervision sessions, self-reflection on practice, preparation and planning activities. This does not include time spent researching and writing the proposal or the final paper.
- Provide evidence that practice activities are based on theory and/or research and/or accepted practice.
- Provide evidence of accepting feedback and incorporating feedback from supervisor(s) into their practice.
- Complete a written analysis of the extent to which her/his learning goals and the course objectives were met, how this was accomplished, and the evaluation procedures used (5–10 pages).
- Have demonstrated ethical behaviour per CASW Code of Ethics and Standards of Practice.
- Have maintained appropriate record-keeping in accordance with the policies of the host agency and CASW Code of Ethics.
INTEGRATING THEORY AND RESEARCH IN ADVANCED FIELD PRACTICE –
SWRK 7190 (3 CREDIT HOURS)

Along with SWRK 7180, this course is the culminating activity in the M.S.W. program for those students who choose the non-thesis option. It provides an opportunity for the student to explore and demonstrate knowledge in a specialized area of social work practice. As a seminar course, SWRK 7190 focuses on the integration of theory and research in the critical analysis of activities undertaken in the Advanced Field Practice placement. Co-requisite: SWRK 7180 Advanced Field Practice.
REGISTRATION

All graduate students must initially register in the term specified in their letter of acceptance as specified in the Academic Schedule of the Graduate Calendar. Any student not registering by registration deadline in the term specified in their letter of offer will be required to re-apply for admission. In exceptional circumstances, and with prior approval from the Faculty of Social Work, and the Faculty of Graduate Studies, a student may defer registration for up to one (1) term following acceptance into the Faculty of Graduate Studies. In the case of international students, admission may be deferred, with prior approval from the Faculty of Social Work, and the Faculty of Graduate Studies, for up to one (1) year following acceptance.

All newly admitted and returning graduate Social Work students are required to register on the University of Manitoba website via Aurora Student.

STEPS TO REGISTER

1. Consult the Faculty of Social Work section of the Graduate Calendar regarding the course requirements for your program of study. Graduate Calendar is available on the Faculty of Graduate Studies website.

2. Contact your faculty advisor to discuss and/or review your program of study.

3. Obtain written approval of your program of studies from your faculty advisor. Your faculty advisor must approve any changes to your program. It is advisable to determine your program well in advance of registration.

4. On your designated registration day, add the registration via Aurora Student. If you encounter any difficulties with adding courses on Aurora Student, i.e. overrides needed, contact the Graduate Programs Student Advisor for assistance.

For returning students, ensure that you and your faculty advisor have completed the Faculty of Graduate Studies Progress Report Form. Students in the thesis option must also submit the Advisor/Student Guidelines form with their first progress report. Students who have not completed these forms will be blocked from registering for the following year by the Faculty of Graduate Studies. Student progress must be reported at least annually to the Faculty of Graduate Studies on the Progress Report form.

http://umanitoba.ca/faculties/graduate_studies/forms/index.html

Any student whose program of study extends for more than one year must re-register in the fall, winter and summer terms of each succeeding year of his/her program until their program is completed. Failure to re-register will result in the discontinuation from the graduate program. When a student has been discontinued, and would like to be considered for continuation in a program, must apply for re-admission. Readmission is not guaranteed.

All graduate students must complete the Academic Integrity Tutorial (GRAD 7500) (0 credit hours) in the first term of the initial registration.
ACADEMIC PERFORMANCE

FAILED COURSES AND MINIMUM GPA

A minimum degree grade point average (GPA) of 3.0 with no grade below C+ must be maintained to continue in the Faculty of Graduate Studies. Any failure to meet these requirements will result in the matter being forwarded to the Graduate Standings Committee. The options for the Graduate Standings Committee include, but are not necessarily limited to the following: 1) requiring the student to repeat or replace the course, or 2) requiring the student to withdraw. The following outlines the procedures for review of these Faculty decisions and recommendations:

The Faculty of Social Work can only recommend a particular action to the Faculty of Graduate Studies with regard to student progress and/or status in the program.

http://umanitoba.ca/faculties/graduate_studies/media/failed_grades.pdf

A student may be permitted to remove deficiencies in grades by repeating the course or replacing it with an equivalent substitute course. Each failed course may be repeated or replaced only once, to a maximum of 6 credit hours of coursework. If a course is repeated or replaced, the most recent grade obtained will be used in the determination of the degree grade point average. Failed courses will remain on the student’s record, but will not be calculated into the Degree GPA. Students receiving a grade of C or less in more than 6 credit hours of coursework will be required to withdraw by the Faculty of Graduate Studies.

PLAGIARISM AND CHEATING

To plagiarize is to take ideas or words of another person and pass them off as one’s own. In short, it is stealing something intangible rather than an object. Although it is not necessary to state the source of well-known or easily verifiable facts, however, students are expected to acknowledge the sources of ideas and expressions they use in their written work, whether quoted directly or paraphrased.

Plagiarism or any other form of cheating on examinations or term tests (e.g. crib notes) is subject to serious academic penalty (e.g. suspension or expulsion from the faculty or university). A student found guilty of contributing to cheating in examinations or term assignments, is also subject to serious academic penalty. Carefully review the following information on university policy and procedures in regards to plagiarism and cheating.

POLICY ON CONFIDENTIALITY AND USE OF SOCIAL MEDIA

The Faculty of Social Work has developed policies on confidentiality and the use of social media. These policies are located in Appendix D and Appendix E. These policies should be carefully reviewed by all students and followed at all times while enrolled in a social work program, including in an advanced practice setting.
PROGRESS REPORTS
Student progress must be reported at least annually to the Faculty of Graduate Studies on the Progress Report form
http://umanitoba.ca/faculties/graduate_studies/forms/index.html

Students who fail to maintain satisfactory performance may be required to withdraw on the recommendation of the Dean or designate to the Dean of the Faculty of Graduate Studies on the Progress Report form. Two consecutive “in need of improvements” normally requires the student to be withdrawn from the program.

PERFORMANCE NOT RELATED TO COURSEWORK
Students are expected to follow the Social Work Code of Ethics. A student may be required to withdraw from the Faculty when the student has been found guilty by the Professional Unsuitability Review Committee of the Faculty of Social Work of such conduct which, if participated in by practicing social workers, would result in a serious violation of the Code of Ethics of the Canadian Association of Social Workers. The Faculty of Social Work has a Professional Unsuitability By-Law. If students are found unsuited on considerations of competence or professional fitness for the practice of social work, they can be required to withdraw. The full by-law is located in Appendix C.

EXTENSION OF TIME TO COMPLETE PROGRAM OF STUDY CONTENT
The student must complete the Request for Extension form and submit it to his/her faculty advisor for recommendation at least three, but no more than four months, prior to expiration of the respective maximum time limit. Requests for an extension are reviewed by the Faculty of Graduate Studies on a case by case basis. The normal time granted for extensions is four months.

http://umanitoba.ca/faculties/graduate_studies/forms/index.html

Requests for extension must be accompanied by a realistic timeline that has been agreed upon by the student and faculty advisor/co-faculty advisor and endorsed by the Dean or designate. The extension time requested must closely reflect the time required to complete the program.

AUTHORIZED WITHDRAWAL POLICY
Authorized Withdrawal or AW is an approved withdrawal from all courses in a given term(s) for medical or compassionate reasons.

http://umanitoba.ca/admin/governance/governing_documents/academic/authorized_withdrawal.html

In limited enrolment programs, re-enrolment following an AW may be subject to availability of space.
VOLUNTARY WITHDRAWAL POLICY

Voluntary Withdrawal or "VW" is a registration option that enables students to withdraw from a course or courses after the Registration Revision Period without academic penalty.

http://umanitoba.ca/admin/governance/governing_documents/academic/360.html

If a student has had a VW from a course, any future attempt to re-register in the course (or its equivalent) is considered a repeated course and will be subject to the Limited Access Policy.

http://umanitoba.ca/student/records/academicpolicychanges/

REPEATED COURSE POLICY

The purpose of the Repeated Course policy is to articulate, on an institutional level, the rules that are applied when a course is repeated, or its equivalent taken; and to identify the implications of repeating courses at the University. Effective Fall 2017, the University of Manitoba adopted the Repeated Course policy that articulates the rules that are to be applied when a course is repeated, or its equivalent taken.

The Faculty of Social Work has developed its own regulations regarding limits to the number of repeat attempts allowed for an individual course (or equivalent). Repeated courses will be subject to the Limited Access Policy. Limited Access will prevent you from registering/wait listing for a course that you are repeating (or equivalent) until the 'Limited Access Term Expiry Date' has passed.

https://umanitoba.ca/admin/governance/media/Repeated_Course_Policy_-_2016_09_01.pdf

LEAVES OF ABSENCE

Student must consult with their faculty advisor in initiating these requests. The types of leave of absence available to graduate students and the form to be completed is available on the Faculty of Graduate Studies website.

http://umanitoba.ca/faculties/graduate_studies/media/Leave_Of_Absence.pdf

In addition, the Faculty of Social Work Standings form is to be completed by the faculty advisor and the student and forwarded, along with other required documentations first to the Student Services and Admissions/Advising Office in Social Work and then to the Graduate Standings Committee for action.

https://umanitoba.ca/faculties/social_work/media/Graduate_Standings_Committee_Form_January_2016.pdf
Students who disagree with a decision have access to appeal routes as laid out by various Faculty of Graduate Studies and University of Manitoba appeal procedures. The Faculty of Social Work only hear appeals of term and final grades. The Faculty of Social Work Grade Appeal policy and procedures are described in Appendix C.

There are several areas of appeal: 1) admission, 2) academic, 3) discipline, and 4) administration.

Appeal Panels will consider appeals:

1. stemming from a decision of a unit on academic matters (e.g. failure in a course) only after they have been dealt with by the appropriate unit-level appeal process (if any), as is outlined in its supplementary regulations.

2. stemming from a decision of the Faculty of Graduate Studies following the recommended action of a unit (e.g., qualifying examinations, candidacy examinations, thesis proposals, thesis examinations), only after they have been dealt with by the appropriate unit-level appeal process (if any), as outlined in its supplementary regulations.

3. stemming from a decision of the Faculty of Graduate Studies.

In all cases, appeals should be directed to the Dean of the Faculty of Graduate Studies. A decision of the Appeal Panel is appealable only to the Senate Committee on Appeals.

http://umanitoba.ca/admin/governance/governing_documents/students/senate_committee_on_appeals_policy.html.

APPEAL OF FACULTY OF GRADUATE STUDIES DECISION

An appeal of action taken by any unit, committee, administrator or faculty member within the Faculty of Graduate Studies must be submitted in writing by the appellant to the Dean of the Faculty of Graduate Studies within fifteen (15) working days of the date from the date that the appellant was informed in writing of the action to be appealed.

APPEALS TO SENATE

As per The University of Manitoba Governing Documents: Students: Policy: Appeals Procedures and Guidelines appeals to the Senate Committee on Appeals shall be filed with the University Secretary within twenty (20) working days after the mailing of the notice of decision from which the appeal is made.

http://umanitoba.ca/admin/governance/governing_documents/students/senate_committee_on_appeals_policy.html
DISCIPLINE APPEALS

The specific jurisdiction of each of the Disciplinary Authorities is outlined in University of Manitoba Governing Documents: Students: Bylaw: Student Discipline. See 2.3.3: Table 1: Jurisdiction of Disciplinary Authorities

http://umanitoba.ca/admin/governance/governing_documents/students/student_discipline.html

When the appeal is against a disciplinary decision made by the Faculty of Graduate Studies, the appeal routes and procedures as outlined in the following shall prevail: University of Manitoba Governing Documents: Students: Procedures: Student Discipline

http://umanitoba.ca/admin/governance/governing_documents/students/student_discipline.html

If a student wishes to appeal a decision, the notice of appeal must be delivered in writing to the appropriate person(s) within ten (10) working days of the student being notified of the decision the student intends to appeal.

ASSISTANCE WITH APPEALS

The Office of Student Advocacy, 519 University Centre, provides information and assistance to students regarding all appeal processes. It is strongly recommended that students contact the Office of Student Advocacy to assist them with any appeal they are considering.

The Review Committee shall send a Notice of Hearing to the named student as set out in Article 7.4; it shall determine whether any of the grounds requiring withdrawal exist at a hearing of the matter pursuant to this By-Law; and it shall make a disposition in accordance with Article 7.7.2 herein.

APPENDIX D – FACULTY OF SOCIAL WORK GRADE APPEAL POLICIES AND PROCEDURES

The purpose of this committee is to promote consistency related to student appeals at the Graduate and Undergraduate level program levels. The Faculty of Social Work Appeals Committee is the first level of appeal for both Graduate and Undergraduate students in the faculty related to appeals of term and final grades. This committee does not deal with matter of student discipline or professional unsuitability as identified by the University of Manitoba Student Discipline By-laws.

The Appeals Committee shall be comprised of 3 members: The Chair, a Faculty member, and a Faculty Content Specialist. Should the appeal be made regarding a grade assigned by one of the standing members of the Appeals Committee, that member shall step down and the Dean shall appoint an alternative to hear that appeal only. The Dean of the Faculty, while ex-officio on all committees, is not normally part of the Appeals Committee. He or she does have some residual responsibility to monitor the work of the Committee, thus providing an additional safeguard to ensure justice.

APPEALS OF GRADES RECEIVED FOR TERM WORK

The appeal of term work returned or made available to students before the last day of classes shall be subject to the policies and procedures established by faculty or school councils. Students may formally appeal a grade received for term work provided that the matter has been discussed with the instructor in the first instance in an attempt to resolve the issue without the need of formal appeal. Term work grades normally may be appealed up to ten working days after the grades for the term work have been made available to the student.

Appeal of Term Work Grades:

http://umanitoba.ca/registrar/grades/appeal-grade

APPEAL OF FINAL GRADES

Prior to filing a formal appeal, students are expected to consult with the instructor of record of the course in question to see if any remedy exists at that level. This appeal to the instructor must normally occur within ten working days of receiving the final grade. If the consultation between the student and instructor does not result in an outcome that is satisfactory to the student, the student may make application for a formal appeal of the final grade.

Appeal of Final Grades:

http://umanitoba.ca/student/records/exams_grades_hub.html

For further information, please see the Faculty of Graduate Studies Academic Guide (sections 9.8 and 9.9)

ACTION BY COMMITTEE CHAIR

Upon receiving the documentation from the Registrar’s Office, the Chair will first consult with the instructor of record of the course to ascertain that the student had initiated a discussion with the instructor and to determine the outcome of this consultation.

The Chair of the Committee will notify the student in writing (email notification is acceptable) advising of the receipt of the appeal from the Registrar’s Office. The notification will address the following issues:

1. Advise the student of the deadline for the Faculty’s response to the Dean which is fifteen (15) working days from the date of the receipt of the appeal.

2. After consulting with the student, establish a time and place for the hearing, and confirm the information in writing to the student (email notification is acceptable) of the date, time, and location of the appeal hearing at least one week prior to the scheduled meeting.

3. Include a copy of the Faculty’s Appeal Procedures, highlighting the provision that the student has the right to appear before the committee, as well as their right to be accompanied by a representative from Student Advocacy and Accessibility.

4. Request that the student forward to the Chair within three (3) working days, all materials relevant to the review (syllabus, assignments, exams, evaluation assessment forms, grading procedures) as well as documentation of the student’s efforts to resolve the issue with the instructor. The student shall also inform the committee if they will be accompanied by a representative from the Student Advocacy and Accessibility office.

5. Advise the student of their right to be accompanied by a support person. This person’s role is limited to observer status and they do not have the right to participate in the appeal hearing.

6. The Committee Chair shall inform the Instructor in writing (email notification is acceptable) of the time and place of the hearing, the grounds for the student’s appeal, and the documentation that will be reviewed in considering the appeal.

The Instructor in the course being appealed will have the right to appear before the committee. The Chair will also request from the Instructor their response to the matter under appeal. If they do not wish to appear they have the right

GUIDELINES AND PROCEDURES FOR THE APPEAL HEARING

At the commencement of the appeal hearing, the Chairperson will:

1. Identify the case: Date, time, and provide notice that the meeting will be recorded.

2. Introduce the student, the faculty member whose decision is being appealed, the accompanying support person, and the members of the Committee.

3. Briefly outline the decision being appealed and remedy sought.
4. Ensure that the proceedings are recorded.

Where a student is questioning the procedures of the grading process, all documentation related to the student’s performance in the course may be considered as evidence in the hearing.

At the conclusion of the meeting, the Chair will summarize the issues before the committee and the information that was presented during the hearing.

A majority vote of the committee will determine the final decision. The final grade may remain as was assessed, or raised, but cannot be lowered as a result of the appeal.

The student has no further right to appeal the decision of the Faculty Appeals Committee for term work. All presentations, discussion and deliberations of the appeal process will be kept confidential.

**DISPOSITION**

The Chair shall inform the student, the instructor, and the Dean of the committee's decision in writing. The decision shall be accompanied by the committee's rationale for its decision. Students will receive the Committee’s decision in writing (email notification is acceptable) generally within three (3) working days. A copy of the letter will be placed on the student’s file. An appeal of a grade beyond the Faculty of Social Work Appeals Committee may be made to the Dean of the Faculty of Graduate Studies. A decision of the Appeal Panel of the Faculty of Graduate Studies is appealable only to the Senate Committee on Appeals.

**GRADUATE STUDENT APPEALS**

The Faculty of Social Work will only hear appeals regarding academic matters. Appeals stemming from departmental actions on academic matters (e.g., failure in a course) will be heard by the Faculty of Graduate Studies Appeal Panel only after they have been dealt with by the appropriate departmental-level appeal process. The Appeal Panel will handle an appeal of Faculty of Graduate Studies actions. Please note that decisions on academic matters such as qualifying examinations, candidacy examinations, thesis examinations, etc. that have been made by a student’s home unit (i.e. department, school or program) should first be appealed to the home unit. If a unit denies a student’s appeal, the appeal may be made to the Faculty of Graduate Studies.
APPENDIX E – POLICY GUIDELINES ON CONFIDENTIALITY

The Canadian Association for Social Work Education (CASWE) Standards for Accreditation (May, 2012) state that:

In keeping with social work’s commitment to the principle of confidentiality, social work programs develop guidelines for confidentiality to be followed by all students in the program by:

a) Clearly outlining guidelines to protect the confidentiality of service users, settings, social workers and students in assignments, process recordings, audio and video tapings, case examples, or any other learning situations, including use of all forms of social media;

b) Requesting the necessary signed letters of consent for any case material used by a student where there is a possibility of identification of service users; and

c) Contracting with settings regarding the use of process recordings, audio and videotapes and social media, and clearly identifying ownership of such material.

Confidentiality is a professional value, as reflected in the Canadian Association of Social Workers (CASW) Code of Ethics, that requires that professionally acquired information about service users be considered as private and shall not be shared with third parties unless the service user provides informed consent. This policy recognizes that in some circumstances a professional or legal obligation exists to share information without client consent.

POLICY STATEMENT

As professionals, students and instructors will comply with applicable provincial privacy laws, including The Freedom of Information and Protection of Privacy Act (FIPPA) and The Personal Health Information Act (PHIA) and will respect the guidelines on confidentiality as outlined in the CASW Social Work Code of Ethics. All parties are responsible for ensuring that no personal information or personal health information that could identify a user of any service system be used in class meetings or in assignments. In addition, while it is acknowledged that the classroom is a public setting, instructors and students shall respect one another’s privacy, when discussing classroom activities outside of the classroom. Violations of privacy legislation or the policy may result in action related to student discipline or professional unsuitability.

GUIDELINES

The following guidelines are based on general best practices. The Faculty recognized that circumstances can vary and encourages consultation with your field instructor, field liaison, faculty advisor or course instructors.

• The issue of confidentiality will be discussed by student and instructor during orientation to field. The student is required to review the Code of Ethics regarding Confidentiality in Professional Practice prior to assignment of clients.
• The confidentiality policy of the field site will be shared with the student who is required to review and sign, where applicable, to confirm understanding and compliance.

• Students that will come in contact with personal information or personal health information will be provided with training on The Freedom of Information and Protection of Privacy Act (FIPPA) and The Personal Health Information Act (PHIA) and will sign a pledge of confidentiality.

• The student is expected to possess a basic understanding of confidentiality and its limits and to demonstrate transparency with clients in communicating these limitations.

• Limits to confidentiality include matters as required or permitted by relevant laws, court order or when a clear threat to the safety of the client or others is evident.

• Case studies must not contain any identifying information.

• Documents with identifying information from field agencies must be treated in accordance with the agency’s policies.

• Disposal of documents with identifying information, including electronic records, must be carried out according to Agency protocols.

• Identifying information is not to be used in the classroom or in other context aside from Faculty approved supervision meetings.

• Confidentiality guidelines will be observed, when using social media.

Students are strongly encouraged to consult field instructors, field liaisons, faculty advisors or course instructors, if they are unsure about matters related to this policy.

APPENDIX F – SOCIAL MEDIA POLICY & GUIDELINES

The Canadian Association for Social Work Education (CASWE) Standards for Accreditation (May, 2012) state that:

The Faculty of Social Work has a policy regarding ethical use of all forms of social media to ensure the privacy, confidentiality, and interests of the academic unit and its field placement community. The policy and procedures are consistent with the relevant human rights legislation, with the mission of CASWE-ACFTS, and with the mission of the Faculty of Social Work.

As various forms of social media become commonplace in educational, employment, and other settings, the Faculty recognizes the need to establish guidelines that protect Faculty members, students and those with whom we work from negative consequences. These guidelines must respect freedom of expression and freedom from harassment, as enshrined in relevant human rights legislation. They must be consistent with the Canadian Association of Social Workers’ (CASW) Code of Ethics and maintain academic freedom and respectful learning environments as specified in the CASWE, Faculty and University Mission Statements.

POLICY STATEMENT

The Faculty of Social Work adheres to the CASW Code of Ethics, which outlines the core social work values as:

- Respect for the inherent dignity and worth of persons
- Pursuit of Social justice
- Service to humanity
- Integrity of professional practice
- Confidentiality of professional practice
- Competence of professional practice

The Faculty values academic freedom, freedom of inquiry and freedom of expression as pillars of social work education, and acknowledges the right of every individual to be free from harassment, discrimination and oppression. The Faculty of Social Work recognizes the growing importance of social media and is committed to supporting their ethical and responsible use.

Members of the Faculty of Social Work Community, including students, faculty, sessional instructors and staff, are responsible and accountable for their actions and statements. The guidelines contained in this document are intended to help in making appropriate professional decisions about communication in classrooms and through blogs, websites, wikis, twitter and other forms of social media. The use of unfounded or derogatory statements or misrepresentation is prohibited by the Faculty of Social Work, and associated field agencies and may be subject to examination under several University of Manitoba policies related to student discipline, professional unsuitability, sexual harassment, or respectful work and learning environments. These policies and guidelines refer to the Faculty of Social Work and its associated field agencies and are not intended to infringe upon your personal rights and freedoms.
GUIDELINES FOR THE USE OF SOCIAL MEDIA

The content of publicly accessible communications shall be consistent with the values specified in the CASW Code of Ethics and be in compliance with The Freedom of Information and Protection of Privacy Act (FIPPA) and The Personal Health Information Act (PHIA). The Faculty values and encourages freedom of expression and critical debate and does not support the use of inflammatory, libellous or disrespectful language. Further, harassment and behaviour that create a hostile work or learning environment run contrary to the University’s fundamental values, as reflected in the Respectful work and Learning Environment Policy (June 22, 2004).

The Faculty encourages communication that is accurate and based on reasoned engagement with professional and scholarly knowledge. Postings should be treated as public documents and; therefore, professionalism is highly recommended. Always keep in mind that interaction through social media can result in anyone forming opinions about the Faculty, a field setting, employees, clients, students or the author of the posting. Communications that mention the Faculty of Social Work, field agencies, employees, students or clients must identify that the views expressed are those of the author and not the views of the Faculty of other members of its community. Under no circumstances should information that is confidential, pertaining to the Faculty, placement agency, clients or colleagues be shared. Keep in mind that many factors can lead to the identification of a client, especially to those who know her or him. Confidentiality must be strictly observed, as specified in the CASW Code of Ethics and the faculty’s confidentiality policy.

The following guidelines for social media interactions with current and past clients are based on general best practices. The Faculty recognizes that circumstances can vary and encourages consultation with your field instructor, faculty advisor or field liaison.

• Do not “friend” clients or accept requests to be “friended” from current or previous clients.

• Do not use messaging websites such as Twitter or Facebook to contact clients or to respond to clients.

• Use your professional email address only to communicate with clients.

• Use caution when discussing your work or studies with clients.

• Remember that all email communication are retained in the logs of your and your clients’ internet providers.

• Remember that information that you provide about yourself on websites can be accessed by clients.
