MASW SINGLE PARENT BURSARY

The Manitoba Association of Social Workers (MASW) offers an annual bursary to assist and encourage a single parent studying in the Faculty of Social Work at the University of Manitoba. The MASW recognizes that there may be an additional financial strain on certain groups of students attempting to complete their university education. The MASW also believes that the opportunity for social work education should be expanded to greater numbers of individuals. In particular, the Association hopes to encourage individuals who are single parents with demonstrated financial need.

The bursary shall be offered to a student who:

1) is registered for a minimum of 18 credit hours in the final year of the B.S.W. program at the University of Manitoba, including the Fort Garry campus, the William Norrie Centre (Inner City Social Work Program), DE or the Thompson program;

2) has clear academic standing;

3) has financial need as declared on the standard University bursary application form;

4) is a single parent (an applicant’s declaration of this status will be considered sufficient) with dependent children living in the home.

The selection committee for this award shall be the Standing Committee of the Faculty of Social Work.

In addition to the BSW Supplemental Application Form, students must use the U of M General Bursary Application to apply. This can be found on the Financial Aid & Award Website
