Report of the Senate Committee on Admissions concerning a proposal from the College of Nursing to modify the admission requirements for the Bachelor of Nursing degree program (2020.11.17)

Preamble:

1. The terms of reference for this committee can be found at: http://umanitoba.ca/admin/governance/governing_documents/governance/sen_committees/490.htm.
2. The College of Nursing is proposing a modification to the admission requirements for the Bachelor of Nursing degree program. The modification involves the recognition of the course name change of HMEC 2650 to FMLY 2650.
3. The proposal was approved by the College of Nursing Faculty Council on June 25th, 2020 and was endorsed by SCADM on November 17th, 2020.

Observations:

1. The course HMEC 2650 can be presented by applicants to satisfy the Social Science/Humanities elective for admission purposes.
2. The name of the course HMEC 2650 has been changed to FMLY 2650. This proposed modification acknowledges this change and the admission requirements are being updated accordingly.

Recommendation:

The Senate Committee on Admissions recommends that the proposal to modify the admission requirements for the Bachelor of Nursing degree program be approved effective for the Fall 2022 intake.

Respectfully submitted

Laurie Schnarr, Chair, Senate Committee on Admissions

MEMORANDUM

Date: October 20, 2020

To: Laurie Schnarr, Chair, Senate Committee on Admissions

From: Dr. Netha Dyck, Dean and Chair, College of Nursing Council

Re: Updating Admission Requirements

Please find enclosed proposed revisions to the Bachelor of Nursing Program's admission requirements based on the change made to the course name HMEC 2650 (to FMLY 2650).

These revisions were recommended for approval by the College Council on June 25, 2020.

We are requesting endorsement of the change by the Senate Committee on Admissions.

I look forward to hearing from you regarding this admission requirement.

Sincerely,

Dean, College of Nursing

Encl.

Section I

The following information is provided in the *Applicant Information Bulletin* regarding the current admission criteria for the Bachelor of Nursing Program:

“Section 2: Eligibility Requirements

2. Required Courses

Note 7 Social Science/ Humanities electives can also be satisfied by any of the following with a “C” grade or higher: NURS 1280 Introduction to Nursing, NURS 2610/KIN 2610 Health & Physical Aspects of Aging, REC 2650/SWRK 2650/HMEC 2650 Social Aspects of Aging” (p. 3 --

https://umanitoba.ca/student/admissions/media/nursing_bulletin.pdf).

The name of the course HMEC 2650 has been changed to FMLY 2650. The College of Nursing Advanced Standing and Admissions Committee met on May 25, 2020 and approved a motion to add FMLY 2650: Social Aspects of Aging to the list of electives that can be used for admission. College of Nursing Council approved this recommendation on June 25, 2020.

Proposed Revision for endorsement by the Senate Committee on Admissions (with proposed changes in green font):

Note 7 Social Sciences/ Humanities electives can also be satisfied by any of the following with a “C” grade or higher: NURS 1280 Introduction to Nursing, NURS 2610/KIN 2610 Health & Physical Aspects of Aging, REC 2650/SWRK 2650/HMEC 2650/**FMLY 2650** Social Aspects of Aging

Re: Recommendation for adjustments to the Academic Schedule for the College of Dentistry for Fall term 2021

Please find attached a proposal to extend the end date for courses in Dentistry and Dental Hygiene programs from the current end date of December 3, 2021 (exam period from December 6-10, 2021) to a revised end date of December 10, 2021 (exam period from December 13-17, 2021).

This extension is requested to offset the clinical and pre-clinical impact on clinical experiences due to Covid-related restrictions.

The proposal is recommended for approval by the Chair of the COVID-19 Steering Committee, by the Chair of the COVID-19 Academic Team, and is supported by the Provost and Vice-President (Academic).

I would ask that this item be presented for consideration by Senate at its June 16th, 2021 meeting.

Re: Fall Term 2021 End Date Extension- Gerald Niznick College of Dentistry

The Gerald Niznick College of Dentistry and the School of Dental Hygiene request a change to the Fall 2021 academic term end date for their dentistry and dental hygiene program. The end date of classes for all programs and years will remain unchanged. This request will affect the clinic end dates and the exam periods only. This change is required due to a reduced clinical capacity and modified academic schedule imposed by the COVID-19 pandemic.

Program and Year	Current End Date: Classes <i>No change requested</i>	Current End Date: Clinics	Requested End Date: Clinics	Current Exam Period	Requested Exam Period
Dentistry Year 1	Nov 26, 2021	Nov 26, 2021	<i>3 Dec, 2021</i>	29 Nov to 10 Dec, 2021	<i>6 to 17 Dec, 2021</i>
Dentistry Year 2	Nov 26, 2021	Nov 26, 2021	<i>3 Dec, 2021</i>	29 Nov to 10 Dec, 2021	<i>6 to 17 Dec, 2021</i>
Dentistry Year 3	Nov 26, 2021	Dec 3, 2021	<i>10 Dec, 2021</i>	29 Nov to 10 Dec, 2021	<i>6 to 17 Dec, 2021</i>
Dentistry Year 4	Dec 3, 2021	Dec 3, 2021	<i>10 Dec, 2021</i>	6 to 10 Dec, 2021	<i>13 to 17 Dec, 2021</i>
Dental Hygiene Year 2	Nov 26, 2021	Nov 26, 2021	<i>3 Dec, 2021</i>	29 Nov to 10 Dec, 2021	<i>6 to 17 Dec, 2021</i>
Dental Hygiene Year 3	Nov 26, 2021	Dec 3, 2021	<i>10 Dec, 2021</i>	6 to 10 Dec, 2021	<i>13 to 17 Dec, 2021</i>

We are seeking approval for the following fall term 2021 end date changes:

We are seeking approval to end Dentistry 1, 2, and Dental Hygiene 2 fall term clinic completion dates which currently end November 26, 2021 (exam period November 29-December 10, 2021) to a revised clinic end date of December 3, 2021 (exam period from December 6-17, 2021).

We are seeking approval to end Dentistry 3 fall term clinic end dates, which currently end 3 December, 2021 (exam period 29 November-10 December, 2021) to a revised clinic end date of December 10, 2021 (exam period from 6-17 December, 2021).

We are also seeking approval to extend the Dentistry 4, and Dental Hygiene 3 clinic completion dates from the current end date of December 3, 2021 (exam period from December 6-10, 2021) to a revised end date of December 10, 2021 (exam period from December 13-17, 2021). No other changes are anticipated at this time.

The original academic completion dates were submitted at a time when the expectation was for all clinic and pre-clinical spaces within the Dental College to be operating at full “pre-COVID” capacity by Fall Term 2021. Due to ongoing pandemic restrictions the Fall Term 2021 term will continue to function at a reduced clinical capacity and pre-clinical spacing.

Therefore, in order to help offset the clinical and pre-clinical impact of these restrictions it is requested that the Fall Term 2021 for the Dr. Gerald Niznick College of Dentistry be extended by 1 week for all undergraduate Dentistry and Dental Hygiene courses. This would be beneficial for the students to increase their clinical exposure thus advancing their knowledge and skill development.

Fall Term 2021 and Winter Term 2022 start dates will not be impacted with this change. The IDDP program term end date and exam period will remain unchanged.

Thanks very much in advance for your consideration of this request. Please let us know if you require any further information.
