

2012 – 2013

MHRC/CCMF PERSONNEL AWARDS

- *GRADUATE STUDENTSHIPS &*
- *POST DOCTORAL FELLOWSHIPS*

1. **All** applications for Studentships and Fellowships must be submitted to the MHRC joint grant competition by **February 1, 2012** for funding commencing July 1, 2012.
2. To be eligible for this competition, the graduate student's supervisor or post doctoral fellow's supervisor must have an appointment with CancerCare Manitoba or the Manitoba Institute of Cell Biology.
3. If an applicant is not successful for an MHRC/CCMF award, funding may be made available through the CancerCare Manitoba Foundation. This funding will be for one year only. *Note that this is not a separate process, everyone must still apply through MHRC.*
