Re: **Appointment of Dr. J. Michael Campbell
Director, Natural Resources Institute**

I am pleased to announce the appointment of Dr. John Michael Campbell as Director, Natural Resources Institute for a five-year term beginning January 1, 2012.

Dr. Campbell is a graduate of the University of Waterloo (Ph.D. in Philosophy) and holds a Masters of Arts in Geography (University of Manitoba) and a Bachelor of Arts, Geography (University of Manitoba). Dr. Campbell conducts a program of research in the areas of leisure and tourism behaviour, specifically related to parks and protected areas, planning and management, human dimensions of wildlife, and nature based tourism. Since 2006 Dr. Campbell is Director of the Canadian International Development Agency's University Partnerships in Cooperation and Development Project, enhancing rural livelihoods in Uganda through sustainable community tourism, performing academic and managerial responsibilities for a multi-disciplinary international education/research collaboration between the University of Manitoba and Makerere University in Uganda.

Please join me in welcoming Dr. J. Michael Campbell to our faculty and extending congratulations to him on this appointment. I look forward to working with him as he assumes this new role.
