1. This report includes:

(a) all distance education credit hours, including Independent Study, on-line courses, and group-based study;

(b) all courses taught off-campus with stipend from other than faculty, college, or school resources.

This report excludes: (c) courses at or above the 6000 level, as these are associated with graduate programs;

(d) credit hours declared as "Challenge for Credit".

2. Due to rounding, some totals may not match the sum of the individual department, or faculty/college/school, figures.

3. An asterisk (*) indicates that the number of credit hours were below 100 in either year. Changes in faculties/colleges/schools

containing fewer than 100 credit hours can show abnormally large differences, therefore these are not reported. 4. Winter Term reports are based on data extracted as at March 1. Winter Term 2017 used an adjusted date of March 15, as that term

began two weeks later than usual.
