⁽a) all distance education credit hours, including Independent Study, on-line courses, and group-based study;

⁽b) all courses taught off-campus with stipend from other than faculty, college, or school resources;

⁽c) all courses taught through remote-learning.

This report excludes:

⁽d) courses at or above the 6000 level, as these are associated with graduate programs; (e) credit hours declared as "Challenge for Credit".

^{2.} Due to rounding, some totals may not match the sum of the individual department, or faculty/college/school figures.

An asterisk (*) indicates that the number of credit hours were below 100 in either year. Changes in faculties/colleges/schools containing fewer than 100 credit hours can show abnormally large differences, therefore these are not reported.

The COVID-19 pandemic had substantial impacts on the University of Manitoba in 2020, 2021, and 2022, with the impacts diminishing over the years that followed. Comparisons involving covid-affected years should be made with caution.

The Department of Native Studies changed its name to the Department of Indigenous Studies, effective January 1, 2022.

^{6.} Increase in credit hours due to a change in curriculum beginning in Fall Term 2023.

^{7.} Effective Fall Term 2022, the Bachelor of Nursing moved from a two-term to a three-term program delivery model.

Comparisons to previous years should be made with caution. Effective Summer Term 2023, the Bachelor of Nursing moved from two to three intakes per calendar year.
 Comparisons to previous years should be made with caution.
