- 1. Staffing data were obtained from the VIP Human Resources Management Information System.
- 2. As a result of the COVID-19 pandemic, year-over-year comparisons should be made with caution as figures may not be comparable.
- 3. New in 2020-21, the method used for extracting staff records for this report has changed to include additional fields and employment records from the VIP Human Resources Management Information System, allowing for an enhanced selection criteria. This has resulted in the ability to exclude additional records deemed non-active. New fields were also used for assigning records to Faculty work units. Most research centres and auxiliary units continue to be reported directly under the Faculty.
- 4. Includes staff paid from operating funds as well as those paid from a combination of operating and grant funds. Excludes staff paid exclusively through grant funds. This table also excludes the following staffing categories: Long-term Disability, Non-Employees, Visitors, Nil Salary, Out-of-Province, and all Fellowships/Scholarships.
- 5. The Full-Time classification includes staff on reduced appointments, retired half-time appointments, and term administrators in the Max Rady College of Medicine.
- 6. Other Teaching academics include: CUPE Local 3909 Sessionals and Excluded Professional Sessional Academic Staff.
- 7. Non-teaching academics include: Research Academics, Excluded Students (Student Research Assistants), CUPE 3909 Students and Other Academics.
- 8. Effective 2022-23, the Pension Office, previously reported in Human Resources, is now a part of Financial Services.
