1. Staffing data were obtained from the VIP Human Resources Management Information System. For a definition of FTE staff, see the Staff section under Definitions.

2. As a result of the COVID-19 pandemic, year-over-year comparisons should be made with caution as figures may not be comparable.

3. New in 2020-21, the method used for extracting staff records for this report has changed to include additional fields and employment records from the VIP Human Resources Management Information System, allowing for enhanced selection criteria. This has resulted in the ability to exclude additional records deemed non-active.

4. Includes staff paid from all funds (either operating or grant funds).

This table excludes the following staffing categories: Long-term Disability, Non-Employees, Visitors, Nil Salary, Out-of-Province, and all Fellowships/Scholarships.
