Research Poster Session – Abstract Submission

Presenter: _____
Last Name First Name E-mail

Current Program:

Undergrad M.Sc. Ph.D. Postdoctoral Academic/Researcher

Institution: _____ **Department:** _____

Advisor(s): _____
Initial Last Name Initial Last Name Initial Last Name

Research area(s):

- | | |
|---|--|
| <input type="checkbox"/> Crystalline Materials and Nanostructures | <input type="checkbox"/> Complex Natural Systems |
| <input type="checkbox"/> Mechanics of Materials and Structures | <input type="checkbox"/> High Performance Computing |
| <input type="checkbox"/> MEMS/Microfluidic Systems | <input type="checkbox"/> Surfaces and Interfaces |
| <input type="checkbox"/> Photonic and Phononic Interactions | <input type="checkbox"/> Soft and Disordered Materials |
| <input type="checkbox"/> High Temperature Aerospace Materials | <input type="checkbox"/> Composite Material Systems |
| <input type="checkbox"/> Quantum Materials | |

Title: _____

Co-Author (s): _____

Abstract (max 250 words):

Abstract submission due APRIL 28th to be eligible for presentation and award.

Please Return to: Jennifer Low; Jennifer.LowMcEleney@umanitoba.ca; Tel:204-474-7820

Mandatory fields include: Full name, e-mail, institution, title, and abstract. **Registration form must also be completed.*
