

Manitoba Materials Conference 2012

May 9, 2012 Engineering & Information Technology Complex Atrium

Research Poster Session – Abstract Submission

Presenter's Name: _____
Last Name First Name

Current Program

Undergrad. M.Sc. Ph.D. Postdoctoral Academic/Researcher

Institution: _____ Department: _____

Advisor: _____

Research area (choose one):

- | | |
|---|--|
| <input type="checkbox"/> Crystalline Materials and Nanostructures | <input type="checkbox"/> Complex Natural Systems |
| <input type="checkbox"/> Composite Material Systems | <input type="checkbox"/> High Performance Computing |
| <input type="checkbox"/> Microelectricalmechanical Systems (MEMS) | <input type="checkbox"/> Surfaces and Interfaces |
| <input type="checkbox"/> Photonic and Phononic Interactions | <input type="checkbox"/> Soft and Disordered Materials |
| <input type="checkbox"/> High Temperature Aerospace Materials | |

Title: _____

Abstract:
