

Please Complete all sections of this form (Incomplete applications may not be considered for funding)

Form fields for First Name, Last Name, Student #, Email Address, and Class of.

[I] Did you receive a Faculty of Medicine bursary in the past year (demonstration of financial need)? YES [] NO []

[II] The following types of support are available to supplement elective travel costs from a variety of donors and resources:

[III] General Support - Students may qualify for support for elective travel that does not fit into a targeted category. The maximum amount awarded will be \$500. NOTE: All funds listed below, except the MMCF – Dr. Dale Iwanoczko Memorial Fund, require students to demonstrate financial need.

- List of bursaries: Ted and June Burgess Bursary, MMCF - Dr. Dale Iwanoczko Memorial Fund, Charles and Joseph Portnuff Bursary, Abraham Samuel Sinclair Bursary.

[IV] Targeted Support - A number of funds exist where donors wish to support students travelling to electives in these specific fields or locations. NOTE: All funds listed below, except the Hollenberg Award, require students to demonstrate financial need.

- List of targeted support funds: Internal Medicine: Hollenberg Award, Geriatrics: Drs. Asa and Jack MacDonell Bursary, Family Medicine Rural: Charles and Maggie Brownstone Memorial Bursary, Remote Canada: Alan Klass Memorial Medical Student Support Fund, Martin – Reed Bursary.

[V] Please select up to three different electives that you intend to complete and fill in the required information below.

Estimate costs. Select either Targeted or General support for each elective entered below.

Form section (1) for Elective Type, Location, Start/End Date, Estimated Cost, and Type of Funding.

Form section (2) for Elective Type, Location, Start/End Date, Estimated Cost, and Type of Funding.

Form section (3) for Elective Type, Location, Start/End Date, Estimated Cost, and Type of Funding.

NOTE: (i) You will be notified by Awards UGME in fall (Oct/Nov) of your approved funding for one of the above elective requests. (ii) Verification of completion of specified Elective by UGME Electives Administrator required before funds are released. (iii) If there are too many applicants for General or Targeted support, preference will be given to those with previously established financial need. That is, those who have received a Faculty of Medicine Bursary, in the year that they apply for Elective Travel funding, will get preference.
