ILLUMINATE SPEAKER SERIES

PHYSIOTHERAPY WITH NEW TECHNOLOGIES
Past, present and future of a precise assessment

MARCH 22, 2019 · 12:00 - 1:00PM
Apotex Centre, Room 071 · 750 McDermot Ave. · Bannatyne Campus

Speaker: DR. NESTOR PEREZ MALLADA
Mallada is a physical therapist, master in health law and doctor in biomedicine and health sciences. In 2009 he joined the San Juan de Dios University School of Nursing and Physical Therapy of the Pontifical University Comillas as head of physiotherapy studies. In 2017 he left this position to focus on research through biomechanical tools and specialized teaching activities. He is currently the technical director of the Clinical Biomechanics and Physiotherapy Research Unit. His main lines of research are clinical biomechanics and physiotherapy, instrumental biomechanics, sport physiotherapy and functional evaluation.
