University of Manitoba – Department of Occupational Therapy
PLACEMENT DATES FOR 2019-2020

The University Of Manitoba Department of Occupational Therapy recruits placements within Manitoba and Saskatchewan for all placement time periods. Students must submit an application and pay a non-refundable fee to be placed outside these regions. Placements are listed in chronological order from the start of the academic year (end of August).

Basic Fieldwork (4 weeks)  November 18 – December 13, 2019
First year students who have completed 12 weeks of academic studies as well as a previous undergraduate degree including pre-requisite courses.

Intermediate Fieldwork II (8 weeks)  January 6 – February 28, 2020
Second year students who have completed one and a half years of academic studies, one 4 week and one 8 week fieldwork placement. Evaluated at an intermediate 2 level.

Intermediate Fieldwork I (8 weeks)  May 4 – June 26, 2020
First year students who have completed one year of academic studies and one 4 week fieldwork placement.

Advanced Fieldwork (6 weeks)  June 22 – September 11, 2020*
(flexible start date, must end by September 11, 2020)
Second year students who have completed all academic requirements, one 4 week and two 8 week placements. Evaluated at an advanced level.

*Note: Dates may vary per individual student depending upon availability of placements. A six week placement may occur at any time during this period. Students may also participate in part-time experiences over a longer time period or other types of flexible arrangements as may arise and are determined to be appropriate learning experiences to meet educational standards.
