Guidelines

The Office of the Vice-President (Research and International) at the University of Manitoba administers the Conference Sponsorship Program *and Student Travel Support to Competitions* three (3) times per year, with “Calls for Applications” and deadline dates as shown below.

Call for Applications and Submission Deadlines

The “Call for Applications” is initiated approximately 6-8 weeks prior to the corresponding deadline date indicated below via an electronic “Call for Applications” letter sent out by the *CSP Program Assistant to the “DDD List” (Deans/Directors/Department Heads).

Date of “Call for Applications”	Submission Deadline	Conference & Student Travel Dates
mid April	June 15 th by 4:00 p.m.	Sept/Oct/Nov/Dec
mid August	October 15 th by 4:00 p.m.	Jan/Feb/Mar/Apr
mid December	February 15 th by 4:00 p.m.	May/June/July/Aug

If a deadline above falls on a weekend or a statutory holiday, the deadline is extended to the next business day.

Please note that applicants can apply outside the normal application window identified in the current application requirements when:

- A competition is being held to “Award the Conference Host” (i.e., having “secured funds” is advantageous in an external application/bid to an organization to choose the University of Manitoba as the host location for its conference) and where it is necessary to have a decision regarding “secured funds” in order to apply for hosting such an event; or
- It is necessary to have a decision in time to apply for external agency matching funds to support the conference.

The current Adjudication/Award Selection Committee is comprised of:

- Dr. Jay Doering, Associate Vice-President (Partnerships) on behalf of the Office of the VP (Research & International)
- Dr. David Collins, Vice-Provost (Integrated Plan/Academic Program) on behalf of the Office of the Provost & VP (Academic)

Objective

The Conference Sponsorship Program is designed to **primarily** support:

- **Attraction of Conferences to the University of Manitoba.** Applications for funding to host these conferences are accepted from both **Faculty** and **Students** (Graduate and Undergraduate).

However, in some circumstances, this Program also provides funding for proposals from Student Groups for:

- **Student Group Travel to Competitions.** These Student Groups must be:
 - i. **Undergraduate Students traveling to “Competitions”** at a National or International level; and

- ii. Representing the University of Manitoba in the competition.

NOTE: Student Travel costs solely to attend/present at Conferences are **NOT funded** under this Program.

Funding Priority

Conference sponsorship applications will be prioritized as follows:

- 1) **Conferences hosted at the University of Manitoba** (by Faculty or Students) and ranked based on a weighted combination of exposure, *i.e.*, international, national, provincial, university, and the confirmed (or conservative estimate of expected) attendance at each level of exposure.
- 2) **Academic Value** of the Conference or Competition.
- 3) **Matching Financial Support** - At minimum, must be equal to or greater than amount requested from the CSP fund by the Applicant, and provided (in any combination above) by BOTH the:
 - i. Department Head (except where a Faculty has no Departments – *i.e.*, Social Work; Music, Nursing, ...)
 - ii. Dean/Director
