SUBJECT: The Samuel Weiner Distinguished Visitor Award - Deadline June 30, 2018

I am writing to announce the call for nominations for The Samuel Weiner Distinguished Visitor Award. The deadline for receipt of nominations is June 30, 2018.

This award will partially support the visit of a prominent scientist or scholar to the University of Manitoba. The committee is particularly interested in candidates who will benefit more than one academic unit and it is important to demonstrate the degree of interaction that this individual will have with the University community. Any additional monetary support for the visit should be indicated in the nomination.

I am enclosing a copy of the General Guidelines to nominate a candidate for this award. Nominators should follow the guidelines carefully. This information is also available on the web at:

Please do not hesitate to contact me if you have any questions about this award.
