

Request to Continue Research in University Research Facilities, including Off-Campus Research Sites or Field Stations

Save form before completing.

Name of Principal Investigator

Department

Email

Phone

Building room number(s) or off-campus research site or field station location:

Name(s) of graduate student(s), postdoc(s), research associate(s), and research technician(s) involved:

Describe why continuing this research is essential. What are the consequences of suspending this work (economic, social, etc.)?
[maximum 400 words]

Outline in detail your plan for ensuring employee(s) safety. How will the employee get to the lab/field work/research location? What are the procedures for decontaminating the lab after use by a given employee? What is the plan if this (first) employee becomes ill and cannot continue the work? What is the plan if that (first) alternate employee becomes ill and cannot continue the work? [maximum 400 words]

Approvals

Principal Investigator	<input type="text"/>
Department Head	<input type="text"/>
ADR or Dean	<input type="text"/>
VPRIO	<input type="text"/>

After completing the form. Save and send to the next person for approval, who will add their signature and save, and so on. Final approver email to: Digvir.Jayas@umanitoba.ca

Notice Regarding Collection, Use, and Disclosure of Personal Information by the University

Personal information is being collected under the authority of The University of Manitoba Act. The information provided will be used by the University for the purpose of business continuity planning in relation to research and research facilities. The personal information will not be used or disclosed for other purposes, unless permitted by The Freedom of Information and Protection of Privacy Act (FIPPA). If you have any questions about the collection of your personal information, contact the Access & Privacy Office (tel. 204-474-9462), 233 Elizabeth Dafoe Library, University of Manitoba, Winnipeg, MB, R3T 2N2.
